### **Message from the Principal:**

Dear Parents,

I am pleased to provide you with the annual School Report Card for Del City High School. Please note that the information provided is based on 2016-17 data. You will find information about our community, the school's educational program, and indicators of student performance.

We continue promoting high expectations at Del City High School. We have 9<sup>th</sup>-12<sup>th</sup> graders on our campus and we emphasize high expectations and high achievements with all of our students. We continue to be a leader among our state schools in participation in Oklahoma Promise (Oklahoma Higher Learning Access Program) Students must apply for the Oklahoma Promise Scholarship by the end of their sophomore year.

We are continually working to raise our academic performance each year and are particularly working to increase our scores in reading, writing, and mathematics. Our students attendance is crucial and an area where parents can really help us. Please help us make your child's attendance a priority.

On behalf of the faculty and staff, I want to take this opportunity to tell you what a privilege it is to have your son or daughter at Del City High School. Although we are a large school, we strive to have a positive atmosphere in which our students know they are important, feel safe and secure, and are confident that help is always available. We appreciate having supportive and caring parents with whom we can work cooperatively as our students become young adults.

Sincerely,

Gina Hill
