

BICENTENNIAL LOGO CONTEST FOR LOUISA/LAWRENCE COUNTY

Good Tuesday to ALL,

Next year (2022) marks the 200th year of existence for Louisa and Lawrence County. To celebrate our 200 years of history, community members plan to have events all year long. As part of the celebration, the Bicentennial Celebration Committee is looking for a logo as part of the advertising campaign. The Committee is asking that members of our community, including our students, to design a logo that represents our entire county. The winning logo would be used on t-shirts, stickers, banners, and other merchandise/advertisements. The designer will also receive \$200 in gift cards/certificates.

Here are some specifics:

- The design should include the words/years "BICENTENNIAL," "LOUISA/LAWRENCE COUNTY," "1822-2022" in the logo.
- The design may also include landmarks, structures, landscapes, byways, etc. that are original/significant to Lawrence County.
- It is preferred to have a design that is in a digital format, but students may submit artwork.

A simple search of "bicentennial logos" will give ideas of what is expected.

I recommend that our art classes and/or other classes consider promoting our students to participate. Adults are also welcomed to submit an entry if he/she wishes.

Finally, **ENTRIES ARE DUE BY DECEMBER 10TH**. If a school has numerous entries, I recommend that the "top 5" be submitted from each school. Be sure to include the designer's name and contact information with the submission. I will accept all entries from school-related personnel or from students. Anyone not affiliated with Lawrence County Schools should submit his/her entry directly to Vince Doty at the County Judge's office

Good luck, and we look forward to seeing the final product.

All In,

Robbie L. Fletcher, EdD
Superintendent, Lawrence County Schools
