

FENTON AREA PUBLIC SCHOOLS

Student Self-Administration/Self-Possession

Self-administration means that the student is able to consume or apply prescription and non-prescription medication, other than Schedule II controlled substances, in the manner directed by the physicians and/or parent without additional assistance or direction. Self-possession means that, under the direction of the physician and/or parent, the student may carry medication on his/her person to allow for immediate and self-determined administration. Regardless of the student's age, a physician shall provide written instructions authorizing the student to self possess and/or self-administer any prescription medication.

I have reviewed the Fenton Area Public School's policy and procedures regarding student self-administration/self possession and agree to abide by its terms. I understand that the building administrator may discontinue this privilege upon advance notification to the parent/guardian.

I request that _____ be permitted to (circle one) a) self -possess, b) self-administer) the following medication: _____

Parent/Guardian Signature

Date

Student Signature

Date

Building Administrator

Date

Name of Medication _____ Dosage: _____

How is medication to be taken? (orally, topically, etc.)

Check one: _____ Prescription Medication _____ Non-Prescription Medication

If prescription medication:

Physician prescribing medication _____ Telephone _____

Written instructions/permission from physician received _____
