TCES/SEC

School Year 2021-2022

## News From the Principal

### Important Dates:

Thanksgiving Break  
November 22-26

Half Day for Students  
December 17

End of 2nd Quarter  
December 17

Winter Break  
December 20– Jan .5

Students Return  
January 6

It is with great sadness that I share the following information. On October 31st, we lost a dear friend and member of our Tiger community, Art Montoya. Students knew him as Mr. Art and his presence will be greatly missed in our hallways. He was a part of our TCMSD staff for 23 years.

This month has been full of learning, Veteran's Day projects, and preparing for our Veteran's Day Program.

We were appreciative of our Cafeteria Workers for our Thanksgiving dinner! Our students are working on hands on assignments, in addition to Schoology assignments.

Parents and family members, please continue to support your students in their need for wearing a mask, continue to remind your students to social distance, and to wash their hands frequently. We are trying to keep as many classrooms

open and as many students on campus as possible.

I am thankful for the moments with your children, every day! As I go into classrooms, or see students have academic conversations during lunch or recess, and see students improve in their interactions with their peers, I am thankful that we are all together on campus this year!

Best wishes to you and your family,

Carol Bolke

TCES/SEC Principal

## News From PE

Remember to wear tennis shoes on P.E. days. K-5th will be working on Thanksgiving activities and soccer skills.

Ms. Fuss

### PE Schedule:

K- Every Other Monday & Thursdays

1st- Tuesdays & Every Other Friday

2nd- Every Other Monday & Wednesdays

3rd- Every Other Monday & Wednesdays

4th- Tuesdays & Every Other Friday

5th -Every Other Monday & Thursdays

## News From Art Class

Students have been working hard in art class! They are adhering to art room procedures and learning to respect supplies, materials, and space. This month we've been working with a variety of materials and art processes. Collage, sculpture, painting, and bookmaking have been included in the curriculum.

Ideas are so important to the creative process! Students have been learning about and responding to the work of important artists. They've used these ideas for inspiration for their own art. Literacy and math concepts are also reinforced and included in the art curriculum. Students benefit immensely from a holistic approach to learning.

Please ask your child about their creative activities at school. Hopefully they will be able to share a tidbit or a chunk of information!

As always, please reach out with questions or concerns.

## News From the Music Class

Hello from music! I am so proud of each and every one of our students for all the hard work that they put into preparing for our Veteran's Day Program, everyone did amazing! As we move into November, we will begin exploring different musical instruments and learning the concepts of music literacy and notation. We have started off November by introducing the boomwhacker. This percussion instrument is a color-coded hollow tube of varying lengths that when played, helps reinforce the concepts of steady beat, rhythm patterns, and harmony.

Check out this group of boomwhacker pros! Link listed below.
