## Testing Tips

- Get a good night of sleep the night before the test
- Minimize screen time the night before a test
- Eat a healthy dinner the night before testing
- Eat a healthy breakfast at school or home the morning of the test
- Arrive to school on time
- Think positively the day of the test
- Try your best
- If there is an answer you don't know, guess - don't leave a question blank
- You can skip a problem, mark it and return to it later (as long as it is in the same section) to try again after a bit
- Go back and check your answers and make sure you answered all questions before moving on to the next section.

## Testing Matrix - So everyone can be at their BEST :)

Respect	Optimism	Acceptance	Responsibility
Speak positively Let students know that you are proud of their hard work this year	Get a good night's sleep before each test Encourage to try their best	Encourage a good night's sleep Encourage to eat healthy breakfasts	Remind students to have a book to read, pencil sharpened, and try their best
