- 9:32:** A motion was made to call the meeting to order and the motion was carried.
- 9:33:** There was some debate over whether or not public comment should be permitted. Those for public comment made the case that it should be allowed at every board meeting. Those opposed to public comment made the case that this was a continuation of a previous meeting at which public comment was already allowed.
- 9:34:** A motion was made to allow public comment and the motion did not carry.
- 9:34:** A call was made to reconvene and an objection to not allowing public comment was noted.

Respectfully Submitted,

Matthew Takeuchi  
Clerk Pro-Temp
