Anaconda Junior Senior High School
Center of Excellence

Lincoln

The Portable Has Arrived

You may have noticed that Lincoln's playground looks a little different with the addition of a portable. This portable is being utilized due to the overcrowding in the school and the need for 2 additional classrooms. Currently, Music and Enrichment are being held in this space.

Anaconda Junior - Senior High School Lost and Found

All unclaimed items in the AJSHS Lost and Found (next to the main office) will be donated during the Thanksgiving break. Please send your student to check for any lost items that belong to them.

Winter Sports

All High School winter sports will start Thursday, November 18, 2021. Good luck to all teams this year!

1410 West Park
Anaconda, MT 59711

Anaconda School District Newsletter

November 17, 2021

Congratulations to all Fall Sports programs on a strong season and to the High School Girl's Volleyball team for taking 3rd at Divisionals.

Snoball

Snoball tickets can be purchased in the AJSHS main office before or after school. Tickets are \$15 for a single and \$30 for a couple.

Fred Moodry

Anaconda's Got Talent

It's that time of year again! Anaconda's Got Talent is back in action, virtually! All talent will be posted on the Anaconda's Got Talent Facebook page running from November 29-December 1st. The auction will be held through the Better World website. The link will be shared via Facebook. This will run December 2nd-5th.

L.O.C. Reminder

LOC stands for Love Our Copperheads, Love Our Community. It is our new mantra here at Fred Moodry. We model this by treating everyone with kindness and respect. We also model this by being involved in our school and community. You will hear students using this a lot and it will be a part of our vision moving forward. We are continuing to build upon this as a way to improve our school and community culture. **Please talk to your kids about LOC and how we can apply it to our lives, especially at school.** There will be more information throughout the year and we will work together to make LOC a part of our culture. Go Copperheads! LOC!

Tardies

Please do your best to have students to school on time.

NEWS FROM THE CENTER

Things have been busy at the Center as we've had 5 new students over the past two weeks, which means

we had to say good-bye to 5 students which is always hard. We are proud of several students who are transitioning back to public school.

We are currently looking forward to two days of Native American activities and a trip to the Butte Y during the week of Thanksgiving.

At the Center we are thankful for our weekly trips to Mrs. Calhoun's library and all the fine staff we have working hard to help the students.

Special Education

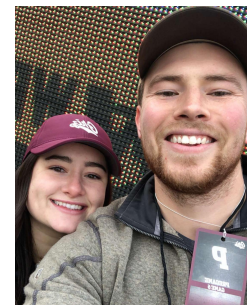

Childhood trauma is not necessarily a prophecy of doom, because some children are resilient or because later experiences help to restore mental health.
