

YOUTH EMPOWERMENT COUNCIL FOR CHANGE (YECC)

Westchester County Youth Bureau

Virtual Meeting Tuesday, December 7, 2021 @ 7-8 pm

All Westchester County high school and middle school students are invited to join the Youth Empowerment Council for Change.

HERE YOU CAN...

- Share your ideas
- Promote civic engagement, social justice, and youth empowerment
- Collaborate with youth from different communities

The YECC enables students from diverse backgrounds to share their unique perspectives on a county-wide level. This council does not meet regularly, but works on projects and initiatives, and is an arm of the Westchester County Youth Bureau. You can do as much or as little as you like.

The YECC is looking for new members and for youth who are interested in leadership roles.

Contact Susan Weisman of the Youth Bureau at **ssw9@westchestergov.com** if you are:

- Interested in attending the December 7th virtual meeting
- Interested in a leadership role
- Unable to attend the meeting, but are interested in joining and/or taking on a leadership role
