SUPERINTENDENT’S REPORT

The Elementary and High School have had a great start to the new school year.

The District web page will continue to be updated when staff are able to do so. The new phone app is still under development. The old app still works and does provide some information however, a person may have to delete and reload the app to get it to work properly.

The District will be exploring a new school photographer for the 2022-2023 school year. We have been having issues with Lifetouch.

The Band will be moving their annual homecoming chicken barbecue to a later date. With new members and people being quarantined the items that needed to be done before hand had gotten missed.

Mr. Baldwin thanked the Treasurer’s Office in keeping things going when they were going through training and switching to the new state software.

Mr. Barnett requested that Mr. Baldwin look into the speakers at the football field. Mr. Barnett said that several fans complained that they could not hear what was being said.
