Students are worried about being Ms Fisher being out and testing for certification. We have a plan moving forward. Ms Fisher will be back the end of November. Ms. Link will step in if she needs to but we have a plan in place.

Parks-Nelson put together tires on the golf cart and jacked it up. We needed it jacked up with better tires. In case a student gets injured we have that to assist. We have agator coming in but in the meantime we have this.

Nelson recognized soccer coaches, we almost didnt have team. Want to thank Rod, Art, and David. We are going to have a great season.

Rynders- Appreciate everything Geoff and school are doing regarding precautions. I am always wearing a mask but just as a caution. Thank you for what you do and all the schools do, their well being. Thank you for everything to everyone. Parks - thank you for stepping up to help out when teachers are out. I worry about burn out but we have incredible teachers who step in to help out.

Gora - Thanks **Nancy Webber-Graff** helped her son to get on track. She went above and beyond to help out.

Nia - Linkcrew is way better than before. Played games everyother wednesday with freshman and are having fun. This wasn't there when she was a freshman.

 - C. Coaches Stipends (Soccer David Cruz and Artie Carrera) (**ACTION**)
Coaches is an expenditure district allocated budget. \$2000 for boys and \$2000 for Arty Carrera. Cyndie motions Gora seconds, all in favor.
 - D. EF Tours Trips & Advisor (**INFORM/ACTION**)
Approve Mrs. Johnson as an advisor. Not funded, taking on current students. Few students who were impacted. Australia/New Zealand out for three days then had to come back during covid and closures. Its important to take this on March Italy and Greece. Some students that graduated are very frustrated because once they graduated and can no longer attene. Can't use tax credit funds for a graduated student. We will not be taking tax credit for any future trips. They will be paying directly to EF Tours. Following year plan March 2023 Germany and Alps 30 students. EF Tours is working on a voucher but won't be what they put in. District may be helping with that a bit as well. Motion Story, Cyndie
