

Junior Year:

What can I do during my junior year to prepare for my future?

- Check out **Hot Jobs for Teens** on the Logancountyohio.com/3e-employed.html page regularly to see what employers are hiring.
- **Update your profile that you built at a freshman and edited as a sophomore on My Local Career.**
- To do so....Log in and review your profile
- Review your student registration page.
 - Name
 - Email
 - Phone
 - School District
 - Class Year
 - Categories (industries) of Interest – Pick 5.
 - Define why you selected these careers
 - Identify the courses you have taken to prepare you for this field
 - Identify what the skills and experiences are that have prepared you for this career.
 - Identify what courses you might be able to take to help prepare you for the field.
 - Identify what type of employment you are currently interested in: full time, seasonal, part time.
 - Save
- Based upon your industries (categories) of interest, choose 3 (NEW) local company profiles to explore!
 - Do so by clicking on the *Industries* tab on the top of the page.
 - For example: Click on the Industries tab and select “Sales & Marketing” then select a company, i.e. Small Nation.
 - Next, click on their webpage link. Upon entering their page complete the following grid.
- Next, build your resume in your English class or appropriate career course/ CTE and upload it to *My Local Career* for potential employers to see in the future.
- Download the 3E Common Application from the 3E webpage and complete it in preparation for the Logan County Career Expo.
