# RMS

The Rock Wall at Richmond Middle School has been a favorite activity of P.E. classes since 2005. Staci Maddux and Ken Simmons, a retired physical education teacher from RMS, had a vision of a rock wall when at the time climbing was becoming very popular. Our rock wall is one of, if not the largest wall in the state of Missouri in a public school. Our wall ranges in difficulty from easy with large rocks for your hands and feet, to extremely challenging if you do the Fingertip, Crack, RMS, or Pyramid Routes.
