Good evening Katahdin Families. I'm calling with a few district announcements.

Thanks to all who assisted with our monthly food pantry on Thursday. We had a great turnout.

Progress continues with our trail system that is being built behind KES. Upon completion of the trail, it will be able to be used by our school students and staff and the community. We look forward to providing a safe place for walking, skiing and biking in the future.

This week we have school on Monday and Tuesday. Wednesday, Thursday and Friday are vacation days.

Katahdin Schools is striving to provide the best possible support for students who are required to quarantine. We truly appreciate your cooperation and support during times of quarantine. Just a reminder that virtual teaching will take place if an entire class needs to quarantine. When class is happening in-person, individual learning plans are being developed for those who are home and teachers will check in with students. Please contact your child's school with any questions or concerns regarding their learning plans.

Remember we're in this together - as the school year continues it is important to complete the home health screening each day and not send sick children to school. A link to the home health check form will be in the email of this message. [Home Health Check Link](#)

Thank you for taking the time to listen to this message and have a wonderful Thanksgiving.
