3rd Annual Poinsettia Sale & Food Drive

The holiday season is upon us, and as a result of a very challenging year, our local food pantries are experiencing an unprecedented demand for donations. We are excited to partner our annual Poinsettia Sale with a fundraising drive to benefit Gather, a local organization that provides food, meals, and resources for the food insecure members of our community. We are asking that those interested in donating do so by providing money. We are accepting monetary donations on Gather's behalf, and may be completed through the poinsettia order form.

The order form is accessed at the link below. If you have any questions please do not hesitate to contact the Hampton PTA via email or Facebook.

ORDER DEADLINE is DEC. 2

Thank you for your participation in this fundraiser. This time of year isn't an easy time for everyone, but we are hopeful that together we will make the holidays brighter for those among us who are struggling the most.

HAPPY HOLIDAYS!
