Miss Cook

Miss Cook is our dynamic Kindergarten and 1st grade teacher. She does a magnificent job of teaching our young learners about the joys to learning. She uses hands on approaches to helping students learn to read.

A bit about K/1

Fun things about Miss Cook:

She loves sunflowers

Things you will learn in Kindergarten & Master by 1st Grade

- All letters and sounds. Reading starts and we focus on fluency and phonemic awareness!
- Math- Addition, subtractions, and counting to higher numbers
- Science and Social Studies are also important parts of our learning.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

cookr@usd401.com

Meet the teachers

Mrs. Zimmerman

Mrs. Zimmerman is a small group all star. She typically teaches her students in multiple small group centers and works hard to ensure that learning is fun for all students.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

zimmermanj@usd401.com

2nd-3rd Grade Learning Goals!

Students focus on expanding.

- Math including moving to multiplication
- Reading fluency and comprehension.
- Writing clear complete sentences.
- Science and Social Studies is hands on.

Fun things about Mrs. Zimmerman

She loves rainbows and bright colors.

Mrs. Madden

Mrs. Madden

Fun things about Mrs Madden:

She loves her K-State Wildcats.

Things you will learn in Art

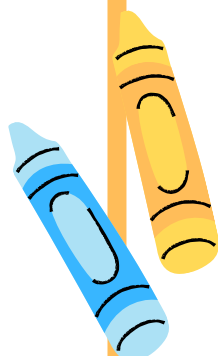

- Art is fun for everyone.
- Our students can win awards for doing their best.
- Different artists create different types of work.

Mrs. Madden will be back again this year a couple days a week to encourage and motivate students to create beautiful works of art to display in our district, at the Kansas State Fair, and in other competitions.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

maddene@usd401.com

Meet the teachers

Mrs. Meyeres

Mrs. Meyeres is taking her love of teaching and spreading it to helping our 4th-7th grade students dive into history.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

meyeresd@usd401.com

4th-7th Grade History 4th Grade

Students will learn about all the regions of the United States and important facts about each state.

5th Grade

Students will dive into the history of the United States including, native people, the founding of our country, and important people.

6th Grade

Ancient world history is the name of the game in 6th grade. Students will learn about all the exciting developments over time, Egypt, Rome, Greece, here we come.

7th Grade

Kansas History and Geography are the focus of this year. Students will learn about native people, founding our state, and even current history in the making.

Mrs. Fall

Mrs. Fall is an exciting teacher who doesn't stop until her students understand. Math may not be a favorite subject to some students but with Mrs. Fall everyone is learning and having a blast.

4th-7th Grade Math 4th Grade

Students will use all operations to solve real world problems. They will work with fractions, decimals, and conversions.

5th Grade

Students will have a heavy focus on Geometry, solving for area and perimeters, graphing on a coordinate plane, and applying fractional knowledge.

6th Grade & 7th Grade

Introduction to Ratios and Proportions are extremely important during this time.

Students will also be solving for unknown quantities.

Students will take those number sense skills and apply them to solve equations and build fluency.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

fallc@usd401.com

Meet the teachers

Mrs. Miller

Mrs. Miller is joining us as a 1st year teacher but many of our students will recognize her from her student teaching. Mrs. Miller promises to make reading fun with an interactive and hands on approach.

About Mrs. Miller

My name is Macy Miller, I'm a mom of 5 little girls and am married to Chase alumnus Tyler Miller. I was raised in Kingfisher, Oklahoma and made the move to Great Bend, Kansas a little under 4 years ago. I enjoy spending time with family, baking, reading, and spending time outside. My why for teaching is to be a positive influence that helps drive students to be their best in all areas both in and out of the classroom.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting

time:

millerma@usd401.com

Mr. Ross

4th-7th Grade Science 4th Grade

Students will learn about plant and animal structures, energy, forces of nature, and natural resources.

5th Grade

Students will dive into matter, energy, organisms, and ecosystems. They will even have opportunity to learn about the sky and earth's resources.

6th-8th Grade

Students will dive into the scientific method, study waves, atoms, earth, space, and physical science. Students will also have the opportunity to learn about how people interact with their environment to create changes. Students will also learn about ecosystems the hierarchy or cycle of energy.

Mr. Ross is a seasoned educator who puts students first. He strives to ensure all students are learning and are prepared for life after school. He uses his love and knowledge of science to help students find a passion in our environment.

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

rossr@usd401.com

Meet the teachers

Ms. Jones

Mrs. Jones is one of the districts Special Education Teachers, but don't let her title fool you, she is an expert in helping any student learn. She uses a positive attitude and consistency to help students reach their potential.

Meet the teachers

Miss Dunlap

Miss Dunlap is a 2023 Grad of Kansas State University from Kiowa, KS. During her time at K-State she served as the Ag Ed Club President, on the Student Senate, Teach Ag Students of Kansas, and a member of Kappa Alpha Theta Sorority. In high school she was a member of the FFA and served as the South Central District FFA Sentinel and the South Barber FFA President. Her family has a registered goat operation in Oklahoma and shows at all levels. One of Miss Dunlap's favorite memories is getting to work for Ag Youth Magazine at the Oklahoma Youth Expo because it combined her passion for working with youth and photography. She is very excited to start at Chase-Raymond high school and can't wait for the coming school year!

Miss Dunlap will be teaching agriculture education to students K-12. Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:

Should you have any questions or concerns, please feel free to contact me to arrange a suitable meeting time:
shortg@usd401.com

USD 401 Mission Statement

"The purpose of Unified School District #401 is to assure that students will acquire basic academic and decision making skills necessary to become resourceful, responsive, and responsible members of the world community."

Transportation

1. Pupils must obey the driver promptly and cheerfully.
2. Students may not change seats unless permission is first obtained from the driver and the bus is not in motion. The driver has the authority to assign a seat to each passenger.
3. Pupils must be on time. The bus will wait no longer than 2 minutes. Pupils must walk on the far left side of the road facing traffic when going to the bus stop.
4. Pupils must never stand in the roadway while waiting for the bus. All pupils must wait for the bus off the traveled portion of the road. Students should wait in an orderly manner and never push a fellow student.
5. Unnecessary conversation with the driver is prohibited. Do not talk loudly or distract the driver's attention.
6. Classroom conduct is to be observed. Concerning appropriate behavior, the school bus is an extension of the classroom.
7. Help keep your bus clean and sanitary at all times.
8. The emergency door on the school bus is not to be used at any time for loading and unloading unless there is an emergency.
9. Pets or animals of any kind are not allowed on school buses.
10. No weapons of any type except side arms carried by a law enforcement officer shall be transported on a bus.
11. Only those riders that are assigned to ride a certain bus or those who have written parental permission will be allowed to ride unless there is a special permission granted from the principal.
12. Pupils must not at any time extend arms out of bus windows.
13. Pupils must not try to get on or off the bus or move about when the bus is in motion.
14. When leaving the bus, pupils must observe directions of the driver. If you cross the roadway, do so in front of the bus, after making sure the road is clear.
15. Any damage to the bus is to be reported at once to the driver.
16. During stormy weather students and parents are advised to listen to their home radio or television for reports on school being closed.

Mrs. Schepmann

Mrs. Schepmann is joining the administrative team at USD 401 this year and she brings with her a wealth of knowledge to support teachers, students, and staff on our district goals and mission.
