**WE** are *so* pleased to have been selected to feed the students of Woodbridge Township. We begin service on Monday, November 29<sup>th</sup>. We have been very busy getting ready, meeting the cafeteria staff, district administrators, and other stakeholders to custom tailor a program for your community.

We will start with a simple menu the first week or two as we set up our supply chain. We look forward to expanding menu options as we move forward. The High School students will immediately enjoy Pizzeria Pizza as one of the meal options. This option will also be available to Middle School students within a week.

### **WHO IS POMPTONIAN?**

Pomptonian is a family-owned New Jersey business. We brought our restaurant flare to school food service 60 years ago. We now serve appetizing and appealing entrees to students in over 100 New Jersey school districts. We have the most nutrition awards in the State, including one for our Farm Stand Concept. We were also awarded the prestigious New Jersey Association of School Business Officials' "Business Partner of the Year" this year in recognition of the Above and Beyond performance of our staff.

Pomptonian's special focus is on Quality and Responsive service. We look forward to bringing Woodbridge Township the quality recipes enjoyed in our other schools.

### **YOUR OPINION COUNTS**

Pomptonian takes the time to understand each of the communities we serve. We want to develop a plan that meets and exceeds the expectations of the Woodbridge Township community. We use a variety of tools to achieve this, including:

- Meetings with Students
  - Participating with Parent Groups
  - Principal Report Cards
- And More...

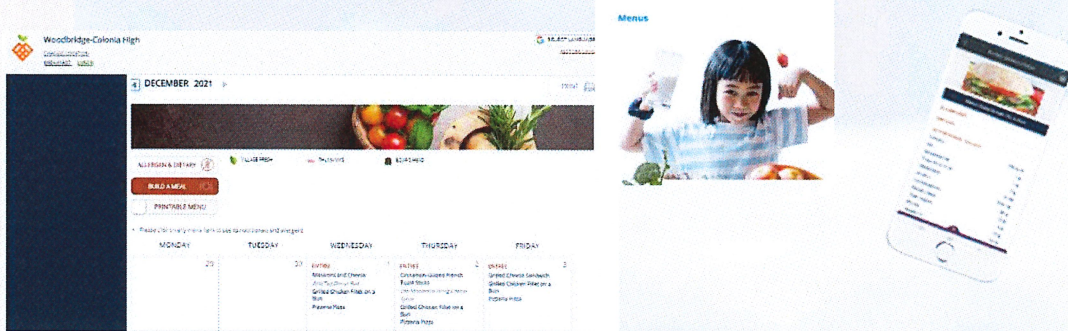

### **FARM STAND**

Our Farm Stand concept has resulted in students eating more fresh fruits and vegetables. We will introduce this concept when permitted by the easing COVID-19 restrictions. Encourage your child to choose servings of fruits and vegetables with each meal!

## OUR MENU

Follow this link to our first week menu [www.mypomptonianmenus.com/woodbridge](http://www.mypomptonianmenus.com/woodbridge). Your school website will have the interactive menu available at all times. Please stay tuned for the expanding choices as we move forward.

## FREE SCHOOL MEALS for the entire 2021-2022 School Year

Each student is eligible to receive one free breakfast and one free lunch meal per day.
