

Hanson's Highlights
Maple Grove Principal's Report
Nov. 15, 2021
Submitted by: Robin Hanson

Student Learning:

- We held our first September reading incentive. Learners gathered in the gym to paint pumpkins that were donated by Mrs.Dvorak. We also enjoyed apple nachos as a special treat. Learners set new goals for October and now November.
- [FB Testing Results](#)
- The Hamburg Volunteer Fire Department came on Oct. 15 to teach everyone about the importance of Fire Safety. We practiced our fire drill with our new location. The learners were so excited to see the equipment, check out inside the fire trucks and sit inside the fire trucks.
- We celebrated our October birthdays on Oct. 22. The birthday kids really enjoy picking out their own music.
- We are wrapping up our first round of CRISP focus during crew. It is amazing to see learners talking about the CRISP traits all throughout their day.

Community Connections:

- Our Chili Supper was a success! It was great to see so many community members and families. A big shout out to our staff who put all this together and the families for their donations. We received \$937 in free will donations.
- Our public library is installed on a large stump for now. We are working on a dedication date in the near future. We are so very grateful for this great addition to our community to house on our grounds.
- Our Cookie Fundraiser wrapped up on Friday Nov. 5.

Communication:

- Here is my recent newsletter: <https://www.smores.com/x7pv6>
- Report cards went home Nov. 4.

Workforce Development:

- Staff had the opportunity to have a virtual hour training with DreamBox. This is our individualized web based math center based program.
- Mia Chimel, from CESA 9, was able to be with our teaching staff on Oct. 29 for the morning to look at school wide goals and do some foundational work with our literacy curriculum.

Facility Maintenance:

- We tested out our “smoke doors” and they are in good working order.
- Thank you for supporting our tables. We purchased 4 6ft tables and 2 round tables. They have already been utilized for meetings and events.
- We had two new boilers installed over the last month. They are hooking automatic controls in the future.
- New door handles with locks were installed on all doors.

Dates:

Nov. 11: Veteran's Day Assembly

Nov. 12: Community Crew Assembly

Nov. 12: October Reading Incentive

Nov. 24-26: No School
