

Andrea Sheridan, Superintendent Report
School District of Athens
October 25, 2021

Goals

- Maximize opportunities provided by the combination of a new leader, new strategic planning cycle, and a short transition period of leadership.
- Engage stakeholder groups and key leaders in future planning for the district that will:
 - Enable effective decision making to occur,
 - Strengthen the environment of collaboration, and
 - Embrace the opportunity to forward the strategic direction as supported by the Board.
- Identify and develop meeting structures to position the system for continuous improvement.
- Support all staff so that they can best deliver excellent service for our students, families, and the community.

Communication Systems

- Technology
 - On-line registration for sports
 - Help Ticket for staff to utilize
 - Website review
 - Individual listing of each school on the landing page

Leadership and learning opportunities

- WASB Regional Meeting
- Educator Effectiveness Pilot team workshop
- Emergency Response team meetings
- Neola training and policy review
 - November school board meeting - present legal updates
- Title 1 team conversations
- Response to Intervention (RtI)
 - Data analysis

Identify local organizations and key leaders to explore partnerships and future opportunities
