Subject: 2021-2022 Supportive Service Proposal

Dear Richmond Heights Schools,

Right Focused is providing a modified proposal re-submission of the original submitted in August 2021. This re-submission will clarify the services available to the district beginning October 2021.

The proposed role Right Focused will play within the district is that of the teacher/staff Supportive Service & Wellness Coach, and the student/family Behavioral Wellness Coach.

Right Focused is a supportive service provider offering a full continuum of services that use a range of evidence-based strategies from independently licensed clinical practitioner(s) in mental and behavioral health. The Holistic Wellness model that embraces a strength-based approach is at the heart of all service provision. The primary focus of this initiative is to provide access to service for teachers and staff in the schools and at the board of education and to offer students and families behavioral support and resource awareness.

Specific services offered to Richmond Heights District for teachers/staff & students/families:

- Independent Counseling (teachers/staff & students/families) service offered on and off site
- Group Counseling (teachers/staff & students/families) service on and off site
- Professional Development (teachers/ students/families) service on site
- Training(s) (teachers/staff) service on site
- Workshop(s) (teachers/staff & students/families) service on site
- Consultation (teachers/staff & students/families) service on site
- Worksite Wellness (teachers/staff) service on site
- Classroom Management (teachers/staff) service on site
- Program collaboration (as agreed) service on and off site

The school/district is not obligated to provide funding for the counseling and therapy portion of this initiative; Right Focused will be responsible for billing the teacher/staff/parent/legal guardian/insurance/Medicaid for any mental health services rendered under approved providers (see below). For those without accepted provider coverage a sliding scale, private pay, or school funding are potential options as agreed in writing by the Richmond Heights school district and Right Focused.

Accepted Provider Insurance:

Aetna Anthem Magellan **Medical Mutual** United Behavioral Health Ohio Medicaid

Right Focused would require no more than one day in the school building throughout the school year for this supportive service initiative as service would also be available after school, virtual/telehealth, or at an alternate location.
