Good evening Katahdin Families. I'm calling with a few district announcements.

KES report cards go home on Friday, Dec 3rd. Student-Led Conferences for KES students will be held on December 9th from 3-7 and December 10th from 8-11. KES students do not have school on December 10th.

With the winter weather upon us please remember to dress your child appropriately to spend time outdoors. KES students spend time outside each day to support health and wellbeing. When children are warm and dry, the time outdoors is wonderful. If you need any assistance with outdoor gear, please contact the main office.

Additionally, we will have regular snow days this school year. A link to the [Winter Weather and Notification letter](#) can be found [here](#).

Katahdin Schools is striving to provide the best possible support for students who are required to quarantine. We truly appreciate your cooperation and support during times of quarantine. Just a reminder that virtual teaching will take place if an entire class needs to quarantine. When class is happening in-person, individual learning plans are being developed for those who are home. Please contact your child's school with any questions or concerns regarding their learning plans.

Remember we're in this together - as the school year continues it is important to complete the home health screening each day and not send sick children to school. A link to the home health check form will be in the email of this message. [Home Health Check Link](#)

Thank you for taking the time to listen to this message and enjoy your evening.
