Dear Parent or Guardian:

We are pleased to inform you that for the 2022-2023 school year, Ione School District will implement a new option available to schools participating in the School Breakfast and National School Lunch Programs called Provision 2.

What does this mean for you and your children? This is great news for you and your children!

All enrolled students of:

Ione School District are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2022-2023 school year.

This year only, your household still needs to fill out a confidential meal application at this school, which will serve as information that the school will use for future school years. One form per household. Include all students on one form.

If your children attend other schools that are not participating in Provision 2, your household may still need to fill out a confidential meal application or pay for meals.

If you have questions or if we can be of any further assistance, please contact us at 541-422-7131.

Sincerely,

Mr. Dinning
Mrs. Johnson
