

# WELCOME TO 7TH GRADE

Dear Rising Seventh Graders,

Welcome to your second year of middle school! Since you are no longer a new middle schooler you know the ropes and the routine of changing classes, as well as, the importance of keeping your locker and work organized. You will continue in your new advisory group next year and we hope that you and your classmates continue to grow closer as a class.

7th grade is a very special year, and your teachers want to see you become more independent as a learner and self advocate, so to get things started off right, they have identified the supplies that you'll need to assemble before reporting to school on the first day.

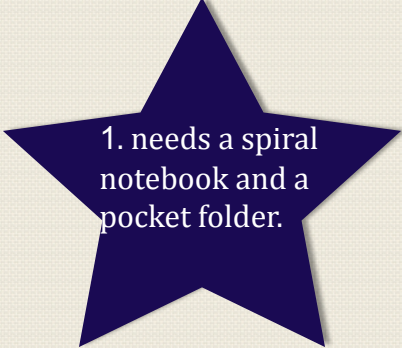

Have a wonderful Summer!  
Seventh Grade Team

## Science

1. a regular size paper grocery bag (to cover text book)
2. Pencils!

## French

1. needs a spiral notebook and a pocket folder.

- 
1. needs a spiral notebook and a pocket folder.
