

A reminder of the Avon School gym access policy: Students that are in grades 7-12 can have access to the gym when they enter by themselves. Students in 6th grade and below must be accompanied by an adult, or a high school sibling. Students are not allowed to let other students into the gym when they enter with their families access code. Do not share your access code. Before leaving the gym all lights must be turned off and all balls and equipment must be put away. Failure to follow this policy will result in cancellation of your key code.
