

HEBER ELEMENTARY SCHOOL DISTRICT

Board Policy No. 3513.3 Tobacco Free Schools

The Governing Board recognizes that the health hazards associated with smoking and the use of tobacco products, including the breathing of second-hand smoke, are inconsistent with its goal to provide a healthy environment for students and staff.

The Board prohibits the use of tobacco products at any time in district-owned or leased buildings, on district property, and in district vehicles. (Health and Safety Code 104420; Labor Code 6404.5; 20 USC 6083)

This prohibition applies to all employees, students, volunteers and visitors at any school-sponsored instructional program, activity, extracurricular event, school sponsored activity or athletic event held on or off district property. Any written joint use agreement governing community use of district facilities or grounds shall include notice of the district's tobacco-free schools' policy and consequences for violations of the policy. However, this section does not prohibit the use or possession of prescription products, or other cessation aids such as nicotine patches or nicotine gum. Student use or possession of such products must conform to laws governing student use and possession of medications on school property.”

“The Governing Board prohibits the use of products containing tobacco and/or nicotine, including, but not limited to, smokeless tobacco, snuff, chew, clove cigarettes, and electronic nicotine delivery systems, such as electronic cigarettes, electronic hookahs, and other vapor emitting devices, with or without nicotine content, that mimic the use of tobacco products any time, in charter school or school district- owned or leased buildings, on school or district property, and in school or district vehicles.

Smoking or use of any tobacco-related products and disposal of any tobacco-related waste are prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. (Health and Safety Code 104495)
