School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

SCHOOL MISSION

We will reach for the stars, for the stars are in reach. We will learn all we can from those who teach. A teacher, principal, parent, or friend can help put the stars within reach in the end. We will all work together, learning each day. We know education is golden, and Golden we will stay!

DISTRICT & SCHOOL PROFILE

The Etiwanda School District has provided "Excellence in Education" for students since its beginning in 1883. The district has grown from a rural one-school district to a mid-sized suburban district that provides an exemplary instructional program for approximately 14,000 students at 17 school sites: thirteen (TK-5) elementary schools and four (6-8) intermediate schools. The district also offers a preschool program and transitional kindergarten. The rich history of the Etiwanda school system and the value of education have always played an important role in this community. Etiwanda School District serves students residing in the cities of Rancho Cucamonga, Fontana, Alta Loma, and Etiwanda. Etiwanda's graduating eighth-grade students are served by Chaffey Joint Union High School District for grades 9-12. More information about the programs is available on the district website or by contacting the district office at (909) 899-2451.

The district's commitment to excellence is achieved through a team of professionals dedicated to delivering a challenging, high-quality educational program. Etiwanda School District appreciates the outstanding reputation it has achieved in local and neighboring communities. Consistent success in meeting student performance goals is directly attributed to the district's energetic teaching staff and strong parent and community support.

John L. Golden Elementary serves 900 students who reside in the northwest quadrant of the district boundaries. In addition, John L. Golden Elementary also houses two county run special education classes serving students in a variety of school districts in the area. Student success is valued and attributed to a dynamic teaching staff, dedicated support staff, and strong parental involvement. Education of the whole child is valued at Golden. In addition to rigorous academic instruction, students benefit from programs that support the arts, hands-on science through gardening, and community service.

District-sponsored, fee-based childcare is available Monday through Friday for John L. Golden Elementary school-age students. The childcare center is open from 6:30 a.m. to 6:00 p.m. Participating students are provided enrichment activities in art, music, literature, and physical education. More information about the childcare program is available on the district website or please contact the school office staff.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All textbooks used in the core curriculum throughout the Etiwanda School District are aligned to the California Content Standards and Frameworks. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education (SBE).

LEAs are required to hold an annual public hearing by the end of the eighth week from the first day pupils attend school for that year. At the public hearing the governing board must determine, by resolution, whether each pupil in the district has sufficient textbooks or instructional materials, or both, in reading/language arts, including the English language development component of an adopted program, science, mathematics, and history-social science that are aligned to the State's content standards and consistent with the curriculum frameworks.

On September 24, 2020, the Etiwanda School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2021-20 stating the Etiwanda School District certifies that each pupil, including each English learner, has sufficient textbooks or instructional materials which are aligned to the state content standards adopted pursuant to Education Code 60605 or the Common Core Standards adopted pursuant to Education Code 60605.8 in the following subjects: mathematics, reading/language arts (including an English language development component), science, and history-social science.

School Facility Conditions and Planned Improvements

John L. Golden Elementary provides a safe and clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 2001. Ongoing maintenance ensures school facilities are kept safe, in good working condition, and continue to provide adequate space for students and staff.

John L. Golden Elementary is proud of its high standards regarding campus maintenance and general housekeeping practices. Staff and students enjoy the benefits of having a well-maintained and beautiful campus.

School staff and the maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained. Maintenance and Operations (M&O) oversees a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. The school secretary is responsible for the preparation and submission of work orders to M&O for resolution. Emergency situations are given high priority and resolved immediately by site or district custodial staff.

The principal has an open door policy and encourages the custodian and the director of maintenance and operations (M&O) to discuss any maintenance related issues associated with campus upkeep, safety, classroom space, equipment, upcoming events, work orders (submitted and outstanding), and special requests. The director of M&O meets with the custodian to conduct a comprehensive inspection of the school site, and a summary of the inspection findings is forwarded to the principal.

Schools are required by state law to conduct a formal inspection annually of designated areas and systems and then prepare a report of the current condition of facilities. The School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas.

John L. Golden Elementary's custodial staff are qualified and equipped to handle routine cleaning needs, general maintenance, and minor repairs. M&O provides formal training twice a year on the proper use of equipment, cleaning procedures, and chemical usage. One full-time day custodian is responsible for keeping the campus clean and fully operational. The custodian's daily routine includes cleaning the staff lounge, stocking student restrooms, and cleaning the cafeteria after meals are served. Every morning before school begins, the day custodian inspects school facilities for safety hazards and maintenance issues that require attention before staff and students arrive on campus. Any graffiti or signs of vandalism are removed immediately. Restrooms are checked frequently throughout the day as a proactive measure in keeping facilities stocked, safe, and sanitary.

A professional janitorial service is responsible for thoroughly cleaning classrooms and restrooms during the evenings. The district office dispatches a team of groundskeepers each week to maintain John L. Golden Elementary's landscaping and irrigation systems.

Etiwanda School District participates in the State School Deferred Maintenance Program which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. These repairs typically include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	79	N/A	61	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parental involvement is very important to the Etiwanda School District and John L. Golden Elementary School. This state priority is part of LCAP and is critical for our school to continue to strive for excellence in education.

Etiwanda School District organized multiple community forums that allowed parents to participate in discussions with site administrators from across the district and district administrators. During these sessions, parents were provided with a presentation by our director of LCAP and communications about Local Control and Accountability Plan (LCAP). Parents then participated in small group discussions to provide feedback. In August of 2019, the district and each school site provided opportunities for parents to provide feedback for the direction of the district and school site. This was done at Back to School Night in an effort to encourage parental involvement through parent surveys that were available electronically or paper. Additionally, at John L. Golden Elementary, an additional survey was sent to parents in grades 3-5 to provide feedback for direction of after-school activities parents and students would be interested in for the current school year. This has helped to shape a variety of new programs we now offer here at Golden.

Parents are encouraged to be involved in their child's learning process by attending school events, serving on school committees, and volunteering at the school. The staff welcomes parent assistance in the classroom, library, preparing classroom materials, and chaperoning field trips. Back to School Night, Open House, student programs and performances, Family Movie Nights, Reindeer Lane, and PTA-sponsored activities provide many opportunities for parents to interact with school staff while supporting their child's educational program. The School Site Council (SSC), English Language Advisory Council, Parent Teacher Association (PTA), and African American Parent and Educator Advisory Committee (AAPEAC) enable parents to provide oversight and input on the school budget, activities, and educational programs. Parents who would like to get more involved or volunteer their time may contact the school secretary (Laura Jordan) or clerk (Lorene Lord) at (909) 463-9105.

School-to-home communication takes place in a variety of formats. The principal issues a bimonthly newsletter to update parents on what is happening in school, upcoming events, seasonal topics, PTA meeting dates, health and safety tips, fundraising projects, and student recognition. The school website features general information about the school and its activities, programs, and staff. The school marquee, flyers, automated telephone system, classroom newsletters, and parent conferences are used to convey important messages, reminders, and announcements concerning students and school activities. We also post pictures on social media to keep parents involved with student, classroom, and school activities.

Parents may access Aeries.net (Etiwanda Student Parent Resource Interface) to view resources that support student learning, study skills, research, and enrichment. Parents are able to receive e-mails every time their child takes an Accelerated Reader test through Renaissance Place. This provides them with quick updates of how their child is progressing on his or her reading comprehension. The district maintains an online mailing list for parents who wish to receive e-mail announcements and messages related to John L. Golden Elementary and the district.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.32	0.62	
Expulsions	0.00	0.01	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for John L. Golden Elementary in collaboration with local agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, anti-bullying policy, sexual harassment policy, and dress code policy. The most current school safety plan was reviewed and updated in September. Parent and staff representatives reviewed and approved the School Safety Plan during a School Site Council meeting in October. In addition, the school ELAC parent group and our resource officer reviewed and local fire department approved the plan.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	110	117	28

The professional development provided and sponsored by the Etiwanda School District is aligned to federal and state accountability requirements, the Local Control Accountability Plan (LCAP), California state content standards, and student assessment data. With intentional connections to the Etiwanda School District Strategic Priorities and Initiatives, all certificated staff are supported through multiple district-sponsored professional development opportunities including full day, after school, and school site staff meeting training sessions. In addition, all educators have the option to utilize grade level collaboration and planning support as well as in-class support from the Etiwanda Professional Development Team. All staff members are encouraged to attend additional non-district sponsored workshops and conferences, including opportunities sponsored by the San Bernardino County Superintendent of Schools to support identified areas of need, growth, or interest.

New teachers are enrolled in the ESD Induction Program, a state-sponsored program designed for first- and second-year preliminary credentialed teachers. Comprehensive skills enhancement training is provided over two years. Candidates attend specific sessions related to the implementation of district technologies, assessments, and scope and sequences. In addition, new teachers attend (prior to the start of the school year) sessions on equity, special populations, classroom management, and pedagogical approaches and practices. Targeted professional development is also provided based on a candidate's individual learning plan. Monthly Induction support meetings focus on implementation and growth within the California Standards for the Teaching Profession.

The Etiwanda School District recognizes the impact of all employees and therefore ensures that paraprofessionals, classified, and non-instructional staff are prepared and supported for the work they execute with yearly staff notifications, staff development, and staff meetings. Additional professional development for all staff includes culturally responsive practices when engaging with colleagues and students.
