3. Handwashing and respiratory etiquette;
4. Cleaning and maintaining healthy facilities, including improving ventilation;
5. Contact tracing in combination with isolation and quarantine, in collaboration with state, local, territorial, or Tribal health departments;
6. Diagnostic and screening testing;
7. Efforts to provide vaccinations to school communities;
8. Appropriate accommodations for children with disabilities with respect to health and safety procedures; and
9. Coordination with State and local health officials. Including the needs for support and technical assistance to implement strategies consistent to the greatest extent practicable, with relevant CDC guidance.
