

Santa's Kottage is coming to Smithton School!

Sponsored by Smithton PTO

December 7 and 8, 2021 (during school hours)

Santa's Kottage is an opportunity for your child to shop Santa's workshop for gifts for family, friends and even pets! The gifts will be bagged so that your child may surprise you and loved ones with a gift that they picked out.

Please return the envelope with the names of those people they are wishing to buy for and the dollar they are to spend for each person. Most gifts range from \$2-10. Your child's class will be able to shop during study hall or other designated down times during the school day.

You may send cash or check made out to Smithton PTO in the envelope.

Please send the attached envelope in on December 7 and make sure their name and teacher/grade level is marked on the envelope.
