

ARP Act Maintenance of Equity - ESSER Funding FY22

The maintenance of equity provisions outlined in the ARP Act ensure that schools and LEAs serving large proportions of historically underserved groups of students receive an equitable share of State and local funds as the Nation continues to respond to the COVID-19 pandemic's impact.

U.S. Department of Education Maintenance of Equity Requirements FAQ

High-Poverty Schools Within the LEA			
LEA Procedures:	LEA Name:	Lumpkin County School System (693)	
Rank each school in the LEA by its percentage of economically disadvantaged students, from			
highest percentage to lowest percentage in FY22.	Total Number of Schools in LEA (#25.1)	5	
2. Divide the total number of schools in the LEA by 4 to determine the number of schools in the highest quartile.3. The number of schools identified in step 2 are the	Number of Schools in the Highest Quartile (#25.2)	2	
LEAs high-poverty schools.			

Rank all schools in the LEA by its percentage of economically disadvantaged students, from highest percentage to lowest percentage for FY22.

*Fiscal and Staffing equity data will be submitted for the schools identified in the highest quartile.

School Name	Percentage of Economically Disadvantaged Students	FY 22 High-Poverty School?
