

Moving all virtual students' line of enrollment to LCES within our Student Information System created inaccurate enrollment numbers in FTE for FY21. Due to this, the following adjustments were made in the enrollment numbers used for the ARP MOE worksheet.

School	FTE October 2020 Enrollment	Number of Students in Virtual (from the districted school)	Adjusted Enrollment Number
BES	650	• 141	791
LBES	343	• 73	416
LCES	697	-141 (BES) - 73 (LBES) LCES had 103 virtual students	483
