Motion to approve minutes: Martha Burdette,

Budget discussion: \$162.23 to Ms. Lacy for supplies, \$17,081.65 current balance

Motion to approve budget: Chevy Speichinger, Holly Still

Booster's Report: As it stands now currently no concessions at school, other schools in our area do have concessions. Softball games concessions went really well prior. They did Saturday double header lunches - three Saturday double headers. (gondola sandwiches and small bag of chips for \$5, was a big success) Donated sandwiches to the LW team and then also did it for the opposing team as well, the selling was to the families that wanted it. Concessions \$1,186.28. Mrs. Pitzer will have a conversation with Mr. Dotson to start the ball rolling and will share with Danielle to continue the conversation. Currently water and Gatorade is left over in the fridge from softball/baseball season.

Booster Letter: A letter that goes out to businesses and families and you get your name put up on the electronic sign in the gym. Jamie will look for the template and contact and Jamie and Danielle will work together.

Current Business:

Coupon Books - Collected \$3,550 - we will make about \$1,700 - had budgeted for \$1000. Will be looking to pass that on next year in 2022.

Holiday Walk - Holly did not here a response back on whether to use the gym for a holiday walk. Discussion around if we would host it virtually again, we can host it in the gym. This may be too much work this year if not a lot of profit in it. In years past we made \$1000-1500.... last year virtually we made about \$200. Holly will share a decision via email.

Trunk or Treat - Went well, more people than we thought considering the weather.

Breakfast with Santa - Catering company no longer does breakfast from Nelson's. Need to find out if we can have it in the gym? Yes or No and go from there. Mrs. Pitzer shared that it would be from a Covid standpoint. Barbara is willing to help with Santa breakfast and/or holiday walk. Table the breakfast w/ Santa for now. Mrs. Pitzer will let Holly know if the gym is free on 11/20, she will share some dates with Holly. Jamie will ask Ben White if they are open to moving a practice. Will communicate via email with the group. Mrs. Pitzer to inquire with Mr. Dotson if a Santa could come to the school. Mrs. Robinson wants to the trees again this year. Combine holiday walk/Santa/tree raffle at the moment nothing on the calendar for 12/4, Mrs. Pitzer will check with Mr. Dotson. LW surprise raffle using the old LW bleacher wood.

New Business:

Apparel Sales- Sales went ok for Barbara last year. Added layer of stress that the items were not already presorted. Maybe see about getting samples. Possibly looking into prebuying and then selling at holiday walk and then also a different games possibly etc. Let's discuss having preset amount of each size and have them ready. Look for a key to a shed. Barbara will get with Shelly to see what we can do. Barbara and Danielle will work together.

Current business: Approved rolling carts for Ms. Aylor. Jamie will drop a check off. Chevy shared a check for \$248.03 from La Gondola family night! Amy will reach out to locate the sports binder for sports banquet. Is it possible to give the VP (Chevy) a zoom password and email to Ms. Powers to email it out 48 hours in advance of the meeting. Advertising for PTO meeting send to Mrs. Pitzer by the 27th of each month. Send group chat by the 25th for detail to share by the 27th. Boys practice basketball jerseys are not in the best shape. Mrs. Pitzer will discuss with Mr. Dotson.

Motion to Adjourn: Jamie Shields and Danielle Durham.
