# HISTORY OF THE WAHLUKE WARRIOR IMAGE

Wahluk School District created a contest in 1986/1987 for students to submit ideas for the new high school.

The winners of the contest were Tobias Tapia and Harry Buck who drew a Wahluk Warrior, the image seen in the pictures below that is still in use today.

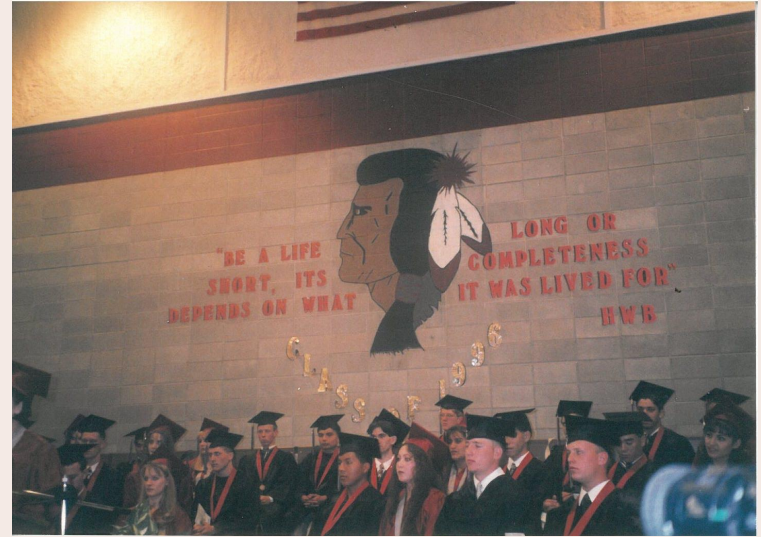

They hand drew and collaborated in creating the Wahluk Warrior Image as a way to honor the Wanapum and the history of the Wahluk community.
