The ACT and ACT Aspire

Assessment Systems

Arkansas law requires that all public school students participate in a statewide assessment. Beginning with the 2015-2016 school year, Arkansas schools will administer ACT Aspire's summative assessment to all students in grades 3-10. The ACT is optional for 11th graders and will be paid for by the state.

The ACT

- * **What is The ACT?**
The ACT is a national college entrance exam.
- * **Who takes The ACT?**
11th graders
- * **Which subjects will be tested?**
English, math, reading, and science
- * **What is the testing format?**
online or paper
- * **Where will the test be taken?**
at each student's high school
- * **Are accommodations available to students with documented disabilities?**
Yes, in most cases if approved by ACT. <http://www.actstudent.org/regist/disab/>
- * **Where can I find more information about The ACT?**
<http://www.actstudent.org>

ACT Aspire

- * **What is ACT Aspire?**
ACT Aspire is a testing system that includes a required summative assessment and optional periodic assessments.
- * **Which part of the system is required?**
summative
- * **Which parts of the system are optional?**
interim (3 per grade; per content area)
classroom (5 per grade; per content area)
- * **Who will be tested?**
all students in grades 3 - 10 who do not qualify for an alternate
- * **Which subjects will be tested?**
reading, English, writing, math, and science
- * **Are accommodations and accessibility features available?**
Yes <http://www.discoveractaspire.org/assessments/accessibility/>
- * **Where can I find more information about ACT Aspire?**
<http://www.discoveractaspire.org>

When will students be tested?

ACT - Grade 11

February 28 / March 28 - Paper format
February 28, March 1-3, March 6-10 - Online format
ACT Aspire- Grades 3-10
April 17 - May 19 window

What is the format of the assessments?

ACT Aspire's summative piece is available online, and schools may request a paper waiver. The optional periodic assessments (classroom and interim) are only available online. The ACT will be given online, and schools may request a paper waiver.

What are the technical requirements for ACT Aspire?

<http://www.discoveractaspire.org/assessments/technical-requirements/>

SCIENCE	65%	34%	70%	30%
MATH	67%	33%	76%	25%

SMART CORE CURRICULUM

Smart Core is Arkansas's college and career ready curriculum for high school students.

College- and career-readiness in Arkansas means that students are prepared for success in entry-level, credit-bearing courses at two-year and four-year colleges and universities, in technical postsecondary training, and in well-paid jobs that support families and have pathways to advancement. To be college- and career ready, students need to be adept problem solvers and critical thinkers who can contribute and apply their knowledge in novel contexts and unforeseen situations. *Smart Core is the foundation for college-and career-readiness. All students should supplement with additional rigorous coursework within their career focus.*

Successful completion of the Smart Core curriculum is one of the eligibility requirements for the Arkansas Academic Challenge Scholarship. *Failure to complete the Smart Core curriculum for graduation may result in negative consequences such as conditional admission to college and ineligibility for scholarship programs.*

Parents or guardians may waive the right for a student to participate in Smart Core and to instead participate in the Core curriculum. The parent must sign the separate Smart Core Waiver Form to do so.

RTI, INTERVENTION, ENRICHMENT, AND EXTENSION

- All students have access to tier 1 instruction daily in all classrooms
- All students have access to Tier 2 instruction/intervention through RTI (Intervention) 4 days a week
- Students who are 2 years or more below grade level have access to Tier 3 instruction/intervention built into their daily schedule
- Students on or above grade level are provided time for enrichment and extension throughout the school day

PROFESSIONAL LEARNING COMMUNITIES

- Teachers meet weekly to identify essential standards, plan lessons, create common assessments
- Student achievement data is reviewed collaboratively and interventions are planned accordingly
- STAR reading/math assessments are given beginning, middle, & end of year in order to monitor student progress

FAMILY & PARENTAL INVOLVEMENT

Compact

Parent Involvement Plan

Parent Involvement Packet

(Copies are available in our counselor's office)

Taylon Steele – El Dorado School District's Digital Media and Marketing Manager

Christa Lyons - BJH Parental Involvement Coordinator
