

Yocum Elementary Math & Science Academy  
PARENT INVOLVEMENT POLICY and COMPACT

**Mission:** Guarantee every student Learns at high Levels

**VISION:** Engaging, Empowering, Educating every student, everyday

**Yocum Elementary teachers will:**

- Provide high-quality curriculum and instruction as designed by the State Standards
- Use a variety of teaching methods and sound educational programs
- Monitor student progress through tests, observation, and other methods
- Work closely with parents to get maximum effort from students
- Communicate with parents about their students progress

**Yocum Elementary parents will:**

- Attend parent/teacher conferences
- Encourage daily attendance by their child
- Support the teacher's expectations for academic and positive student behavior
- Encourage completion of homework responsibilities
- Encourage activities that promote good citizenship, work ethic and a healthy lifestyle
- Visit the school's parent center for appropriate reading materials on parenting and/or helping your child to succeed

**Yocum Elementary students will:**

- Attend every day if possible
- Behave responsibly in all school settings
- Ask questions
- Be responsible for homework assignments
- Encourage your parents to be involved in the school
