*There is always a need for volunteers for a variety of events and activities in our schools. This is an opportunity for our community to be involved in a direct way in support of our students. For the safety of our students, our on-campus volunteers need to complete the volunteer training program. The first of these trainings will take place at the TAC house on Tuesday, Aug. 29.*

*I was wondering why the frisbee kept getting bigger and bigger, but then it hit me.*
