

GREENWOOD

SCHOOL DISTRICT NEWSLETTER | NOV 2021

BACK TO SCHOOL AND FEDERAL FUND INFORMATION

The 2021-22 school year is off to an excellent start with the end of the first quarter on November 2. During these first 8+ weeks, a sense of normalcy has returned to our school routine. Thankfully, our school community has not been significantly impacted by Covid-19 this fall. However, this can change very quickly.

Please continue to refer to the daily self-screening symptom checklist. Students should not come to school if they present 2 or more symptoms on the checklist. If these symptoms persist for 2-3 days, please consider having your child tested for Covid-19.

The district will continue to follow county health department recommendations for isolation and quarantine when notified by the county of a positive case(s) among students and/or staff. Students and staff who are vaccinated will not be subject to close contact quarantines.

FEDERAL ESSER FUNDS

Between March 2020 and 2021, Congress passed three stimulus bills that provided funds under the Elementary and Secondary School Emergency Education Relief Fund (ESSER) to local school districts in Wisconsin. The School District of Greenwood is eligible to receive funds through each of these stimulus bills. These monies are not simply dispersed to local school districts to spend. School districts must submit a budget to the Wisconsin Department of Public Instruction for approval. The district must then submit a claim to the DPI to receive funds after the expense has been incurred. School districts cannot save these funds for a later date, they must be spent on allowable activities and expended by the end of the performance period.

MR. TODD FELHOFER

DISTRICT ADMINISTRATOR/
MIDDLE-HIGH SCHOOL PRINCIPAL

The following is a review of the individual funds and how the school district will be looking to use the funds:

STIMULUS BILL: ESSER I [Coronavirus Aid, Relief, and Economic Security Act (CARES Act)]

Performance Period: All funds must be expended by 9/30/2022

Allowable Activities:

- Coordination of preparedness and response to Covid-19
- Providing education resources to address student needs
- Purchasing personal protective equipment (PPE) and supplies to sanitize and clean facilities
- Purchasing educational technology
- Planning for, coordinating, and implementing activities during long-term closures
- Other activities that are necessary to maintain the operation of and continuity of services in a school district and continuing to employ existing staff of the school district.

Amount designated: \$198,028

Expenditures:

- Educational Technology
- PPE/Sanitizing/Covid-19 preparation/response
- Curriculum/Instruction/Training

STIMULUS BILL: GEER [Governor's Emergency Education Relief Grant]

Performance Period: All funds must be expended by 9/30/2022

Limited Eligibility: Only 150 WI school districts were eligible for these funds

Allowable Activities:

- Health and Safety
- Operational and Schedule Modifications
- Remote and Distance Learning

Amount designated: \$51,243

Expenditures:

- Educational Technology
- Software

STIMULUS BILL: ESSER II [Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)]

Performance Period: All funds must be expended by 9/30/2023

Allowable Activities:

- All the allowable activities permitted in ESSER I and;
- Addressing learning loss among students
- School facility repairs and improvement to enable operation of schools to reduce risk of virus transmission, and support student health
- Inspection, testing, maintenance, repair, replacement and upgrade projects to improve indoor air quality in schools

Amount designated: \$716,729

Expenditures:

- Addressing Learning Loss
- Facility Improvements and Repairs
- PPE/Sanitizing/Covid-19 preparation/response

STIMULUS BILL: ESSER III [American Rescue Plan Act (ARPA)]

Performance Period: All funds must be expended by 9/30/2024

Public Input Required: Public Hearing held on October 11, 2021

Allowable Activities:

- All of the allowable activities permitted in ESSER I and ESSER II and;
- Developing strategies and health protocols to aid in the reopening and operation of school facilities to effectively maintain the health and safety of students and staff.
- 20% of these funds must be spent on "evidence-based intervention strategies" addressing learning loss among students

Amount designated: \$1,613,610

Expenditures:

- Educational Technology
- Addressing Learning Loss
- Facility Improvements and Repairs
- PPE/Sanitizing/Covid-19 preparation/response
- Curriculum/Instruction/Training

HOLIDAY SEASONS ARE APPROACHING!

On a recent trip to a retail store I saw the holiday preparation already underway. The Christmas buzz has already begun; it is hard not to notice how commercialized the holiday season has become.

I encourage all families to stay true to their traditions and if needed start new ones. Enjoy those deer camps, turkey feasts and family touch football games. Those make

DISTRICT AND SCHOOL REPORTS CARDS RELEASED

The School District report cards for the 2020-21 year from the Wisconsin Department of Public Instruction was released on Tuesday November 16, 2021.

The School District of Greenwood earned **four stars** on the state report card, which means the district "**Exceeds Expectations**" for educating its students! This is the top rating a school district can receive.

Obviously, we are very pleased with these results, however, we will continue to strive for improvement. As a district

we must work to ensure all of our students are properly prepared for their future, whether it is a college or career path.

This level of performance is the result of the hard work and effort of our students and staff, the leadership of our School Board, and the great support the district receives from our parents and the Greenwood community.

Learn more about the Department of Instruction Report Cards at: <https://dpi.wi.gov/accountability/report-cards>

great lasting memories.

It is great to decorate, attend parties, bake, and give and receive gifts. But those should be in perspective to what the season is really about: "Peace on Earth and Good Will to All!"

With 11 days available this Winter Break (December 23-January 2), here are several ways to help keep your children active and amused:

- Visit Rotary Winter Wonderland at Wildwood Park in Marshfield
- Stop by the Greenwood Public Library to explore and check out some books.
- Set aside a quiet reading time each day for the **whole** family.

- Plan, Prepare, and Cook a meal or holiday cookies together.
- Have each family member pick out a favorite board game to play.
- Get outside and go ice skating or sledding, build a snowman, construct a snow fort, or make snow angels.
- Dig out some puzzles and have a "puzzle-a-thon."

Play "school"-have the kids be the teachers and parents/grandparents be the students.

Wishing everyone a Happy Thanksgiving; a Merry Christmas and a joyous New Year!

BY AMANDA DURRSTEIN

"Being a part of the State FFA choir was an amazing opportunity. I had the opportunity to go to the State FFA convention in July and the WI State Fair in August. We had to learn about 9 songs and had two or three performances a day. I met a lot of new people and learned a lot."

Loyal-Greenwood Cross Country Highlights

BY HANNAH OLSON
CO-HEAD COACH

After last year's Cross Country season, the 2021 Loyal-Greenwood team enjoyed a return to normal this Fall. The high school runners competed in 12 meets throughout this season with their final race being at Sectionals on October 23rd in Boyceville. Our varsity girls team was made up of eight runners being led by freshman Addison Davidson, who was also voted as this year's Most Valuable Runner and earned Cloverbelt Conference Honorable Mention. Also competing from Greenwood were junior Katlund Etlicher and sophomore Candela Soto. Overall the girls had an excellent season of rebuilding after losing two prominent seniors from the previous year. The highlights of the season came as the girls team finished 4th out of 14 schools at the Cloverbelt Conference Meet and finished the year with an excellent Sectional meet.

The high school boys competed with six varsity runners this season. Senior Avrey Horvath led the way as he was also voted this year's Most Valuable Runner and earned 2nd Team All-Conference honors. Also competing from Greenwood for the boys were seniors Ashtin Palms, Dylan Eckes and sophomore Cody Eckes. Unfortunately the boys were not able to compete as a full team at the Cloverbelt Conference meet or at Sectionals, but did see success earlier on in the season by finishing high in the team standings at several meets including Spencer and Edgar.

Overall this 2021 season was full of great weather, good races and a lot of team comradery. Thank you parents and fans for your continued support of our Loyal-Greenwood Cross Country team.

Dylan Eckes

Avrey Horvath

Ashtin Palms

MIDDLE SCHOOL CROSS COUNTRY

A full year it was for our middle school Cross Country team as they competed in nine meets throughout the season. Although the boys and girls couldn't compete as a full team, our middle school runners showed a lot of heart and talent. It was a great season

of learning how to run, competing, working together, building their endurance and confidence, and having fun. Competing from Greenwood were Bailey Eckes, Lucas Nielsen, and Mason Kohnert.

VOLLEYBALL RECAP 2021

BY JENNI MAYENSCHIEIN
HEAD COACH

Greenwood varsity volleyball team ended the season with a 11-19 record. 2-5 conference for a 6th place finish.

TEAM AWARDS:

Eastern Cloverbelt All Conference Team Members Announced

Above (L-R): 1st Team All-Conference Alane Artac & Honorable Mention All-Conference Mesa Rasmussen

SCHOOL FOREST CLASS BEGINS MANAGEMENT PLAN

Greenwood Agriculture students traveled to the school forest on Friday, October 22nd, to develop some hands-on stand management skills. Mrs. Amborn's forestry class students worked with State Forester Chris Schmitz to develop a stand of Red Pines on the property.

Students took core samples to identify the age of the trees in the stand and measured the trees using clinometers to calculate the average height. Using that data, students determined a site index of 80 for the stand, which was off the charts!

The Forestry class plans to use their skills to help create a management plan for a second forest owned by the School District, located just on the edge of the high school grounds. Goals for this fall are to identify the primary species of each stand and determine height, diameter, and ages of the stands to evaluate their site indices.

TECHNOLOGY ED. DEPARTMENT RECEIVES WELDING GRANT

Greenwood Technology Education department was recently awarded the SPARK YOUNG MINDS GRANT offered through Mississippi Welders Supply and Miller Electric. This grant provides equipment and supplies for the Technology Education Program. Above are Intro to Welding and Advanced Welding students with the equipment and supplies awarded which include a Miller Welder, Miller Welding station, Miller Welding Jackets and Helmets, and welding consumables. Thank you to Mississippi Welders Supply and Miller Electric!

GREENWOOD PARTICIPATES IN THE NOW PROGRAM

The Nutrition On Weekends program is a collaborative, community effort to target childhood hunger. The program provides healthy, ready-to-eat nutritional foods for children during the weekend.

The program was created in response to data collected from Marshfield students as part of the Youth Risk Behavior Survey. In 2012, 20% of students surveyed indicated he/she had gone to bed hungry at least once in the past thirty days because there was not enough food in the home. In 2015, this percentage increased to 23%.

A pilot of the program began serving twenty-nine children in the Marshfield School District in October 2013. Since then, the program has grown to serve 250-300 students weekly on an annual basis in the Marshfield, Auburndale, Granton and Spencer School Districts. In

2016-17 Loyal and Greenwood School Districts were also added to the program. With the addition of these two school districts and our early enrollment

numbers, we anticipate this being our biggest year yet.

* Numbers fluctuate throughout the school year.

Every other week during the school year, each family will receive a food package containing items for breakfast and lunch for the week.

TO HELP GUARANTEE THE NOW PROGRAM TO BE A SUCCESS, DONATIONS ARE NEEDED THROUGHOUT THE YEAR TO MEET THE NEEDS OF OUR CHILDREN.

Donations can be dropped off at either school office. Please see the wish list of items for donations at right.

DONATION WISH LIST ITEMS:

- PEANUT BUTTER
- JELLY
- GRANOLA BARS
- CHEERIOS (ORIGINAL, HONEY NUT, OR MULTI-GRAIN)
- RAISIN BRAN
- LIFE CEREAL
- PRETZELS
- FRUIT SNACKS
- DRIED FRUIT
- GOLDFISH CRACKERS
- ANIMAL CRACKERS
- SUGAR-FREE JELLO CUPS
- FRUIT CUPS
- APPLESAUCE CUPS
- RAISINS/CRAISINS
- ZIPLOC SANDWICH BAGS

If you have any questions about the program, or want further information, please contact the Elementary Office at 715-267-7211. We look forward to you joining us in our efforts to combat hunger in our community.

Elementary News & Highlights

4K NEWS

MRS. BAEHR & MRS. DORWALDT

The boys and girls have done a great job so far in the 4-K program. We have been adjusting to our classroom, the long school day, and attending four full days. We are working on our daily routine and learning where everything important is in our classroom and school (our cubbies, the bathroom, the lunchroom, etc.). During the month of September we talked about apples and made applesauce in our classroom. During October we learned about fire safety, how pumpkins grow, and practicing our counting skills and shapes by making a shape jack-o-lantern. We also had a great time spending time with our family during our Fall Family Day. We sang songs, made a project, and made a snack with our families. In November we will be learning about turkeys and talking about what we are thankful for. We are very excited about being in school and learning new things every day!!

KINDERGARTEN NEWS

MRS. COOPER

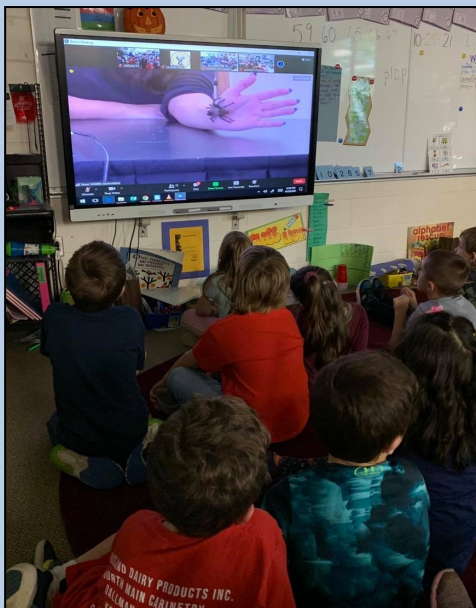

In ARC, we have been reading lots of yellow-leveled books. The stories are short and repetitive as that is the beginning building block of reading! Along with learning to read, we are working on comprehension like retelling and order of events, naming the characters, setting, and main ideas. We have also been working on rhyming words and identifying the beginning sounds in words.

In math, we have focused our attention on numbers 1-5. We have looked at their quantities and all the different arrangements for each number. We have also practiced writing the numbers. We are now studying numbers 6-10. We are comparing the numbers, which are fewer and which are greater. We are looking at what partners go together in numbers (ex. 4 is 2 and 2) and if there is a 5 group in the number (ex. 8 is 5 and 3).

1ST GRADE NEWS

MRS. KNOECK & MRS. PLAUTZ

The first graders are wild! We have been researching wild and endangered animals: bears, birds, big cats, elephants, snakes, crocodiles, frogs, and wolves. Our goal is to publish a book about the animal we have chosen over the next 7 weeks. We are becoming experts on our animals!

First graders recently had the experience of a virtual field trip from Connect2Texas where they got to learn about and see real life tarantulas, rats, and snakes! So much fun!

In math, we have been focusing on partners and totals and learning to solve story problems for either the unknown partner or unknown total. We are learning how subtraction and addition equations are related.

We have read several chapter books together. We LOVE Junie B. Jones and Magic Tree House.

We have just started the turkey reading challenge. For every 10 steps we read we get a feather to "dress up" our class turkey. Mr. Green will be plucking feathers before we leave for Thanksgiving break and sending the lucky winners home with frozen turkeys and more! We are starting to practice Christmas songs. We hope you will join us for the concert this year.

2ND GRADE NEWS

MRS. ECKDAHL & MS. JACOBY

The second graders are going BUGGY! The second graders began a new unit of study: Bugs in Their Ecosystems! Second grade has been infested with books about bugs. The students are reading, writing, and learning all kinds of interesting facts about the lives of these interesting creatures. Over the next nine weeks, students will study a

variety of bugs; learning about it's physical characteristics, eating habits, adaptive behaviours, and much more!

In math, the students have been learning all about place value and using this knowledge to add 2- and 3-digit numbers. The second grade students have become adequate problem solvers in learning the "big mystery" in addition to making a new ten or a new hundred! Students have learned various methods to solve two and three digit addition problems to find the solutions!

3RD GRADE NEWS

MS. HODOWANIC & MRS. HORVATH

The 3rd graders just wrapped up their first Literacy Unit focused on books in a series (*The Magic Tree House*) and narrative writing, where they wrote their own "Jack and Annie" story. They are now starting their Research Unit on weather, where they will research a weather phenomenon. In math, they have been learning multiplication and division concepts and strategies to solve word problems and find the area of rectangles. They will continue to practice the facts throughout the year to build fluency.

4TH GRADE NEWS

MRS. JORDAN & MRS. KOLANO

What a great start to the 2021-22 school year! We are all glad to be back reading and learning about our world. Our math so far has been learning place value for really big numbers and multiplying larger numbers, including one-digit by three-digit and two-digit by two-digit. Our reading program is helping us learn new strategies to improve our comprehension skills. Some that we have already studied are story structure, author's purpose, and theme. We were able to write our own narrative fiction story with our new knowledge. In science, we have studied cell structure (the building block of life!) and how scientists classify living organisms into groups. Our social studies curriculum for 4th grade is all about Wisconsin, and we began by looking at our geography, learning to read maps, and how the last Ice Age shaped our state.

5TH GRADE NEWS

MRS. JOHNSON & MS. THOMPSON

What a busy beginning to our 5th-grade year! In Reading/Writing Workshop, we have been working hard to build a community of readers and writers. We began the year learning to find our best fit

books..books that are fun fast, and easy for us to read with no adult support. We learned that research says the best way to become a better reader is to spend at least 60 minutes every day doing the work of independent reading! And boy have we read this year! Our reading steps have added up to over 30 hours of reading so far!

Throughout the first unit, The Literacy Lab, we have reviewed reading a text closely to determine what a text explicitly says, to make logical inferences about our text, and to use text evidence to support our conclusions about a book's theme and the author's purpose. We have worked on building our reading vocabulary through noticing academic and technical words in our reading and using context clues to help us figure out the meanings of unfamiliar words. We are noticing the 8 types of figurative language in our reading and learning to add them into our own writing. We have practiced writing routinely over short periods and longer periods for many different purposes (narrative, informational, and argumentative writing). We also finished our first extended writing - a narrative short story.

In math, we hit the year running, working on fluently comparing, adding, and subtracting fractions. We learned how to quickly find equivalent fractions and how to simplify fractions to the lowest terms. In Unit 2, we worked on comparing, ordering, adding, and subtracting whole numbers and decimals through the thousandths place. Having a good understanding of fractions has been a huge help in

Mrs. Johnson's fifth graders worked on problem solving and teamwork skills recently. Their challenge was to build a "Bone Bridge" out of the materials provided. They learned engineering terms such as blueprint, criteria, and constraints as well as how to adjust their plans as new problems arise.

understanding decimals!

Overall, we are settling into the routines and the higher level of expectations of 5th grade. We look forward to watching them continue to grow and blossom as readers, writers, researchers, and mathematicians.

6TH GRADE NEWS

MR. MOSELEY & MRS. THEISEN

The sixth grade classrooms have departmentalized this year which means Ms. Theisen teaches reading, language arts, and social studies while Mr. Moseley teaches math and science. The homeroom classes rotate between the two teachers similar to what the students will experience in middle school. This is designed to

prepare the students for the middle school experience where they have to rotate from classroom to classroom while developing their organization skills and adjusting to different teaching styles and expectations. The students have adjusted well to the new structure.

In Reading/Language Arts Ms. Theisen led the students through the Literacy Lab first quarter, which included reading a Science Fiction book, called *Found*, by Margaret Peterson Haddix. Students were able to identify parts of a story as well as make predictions about the characters. Our new unit is identifying events that happened during the American Revolutionary War. Each student will study an event and report on it at the end of the quarter. In Social Studies the sixth grade has been learning about Ancient Civilizations. Currently they are learning about Ancient India and will move to Ancient China and Greece in the next few weeks. Learning locations, latitude, longitude, and mapping are extra topics we continue to work on.

In math class Mr. Moseley has taught units on fractions and decimals and is currently starting the unit on algebraic expressions. The students have been working hard on their multiplication facts while taking weekly timed tests to demonstrate their knowledge. In science the students are studying the five kingdoms of living things starting with plants. The current unit is covering the animal kingdom, specifically invertebrates. The students will be dissecting squid for a science lab to demonstrate their knowledge of dissection terminology and anatomy.

FCCLA PROVIDES DINNER FOR RONALD MCDONALD HOUSE

The Ronald McDonald House HOME FOR DINNER PROGRAM relies on the generosity of community organizations to provide a meal for their families once a month. Home for Dinner is a flexible program: donors are welcome to prepare a meal for House volunteers to set up and serve that evening or they can come in and prepare a meal to be frozen and used in the future. Greenwood High School FCCLA club members are shown above and at right creating a casserole supper for the guests of the Ronald McDonald House in Marshfield.

Above (L-R): Lainy Trampush, Sarah Beth Reiff, Anna Aichele show off their perler bead projects.

MIDDLE/HIGH SCHOOL STUDENTS PARTICIPATE IN MAKERSPACE STATIONS

The year is off to a great start in the Middle/High School library! Along with studying, checking out books, and learning about our online resources, students have been participating in several MakerSpace stations! So far this year we have built with KEVA planks, constructed the expert-level LEGO rollercoaster, and made perler beads creations for friends and for lockers!

Several classes have been into the library for instruction on robotics, coding, and virtual reality as well. Many middle school students have gotten to use the robots we have available already this year!

Above Middle school students Ethan Letvinuck (L) and Jonah Demers (R) are shown driving the Sphero robots.

LIBRARY BUZZ

NEWS FROM THE SCHOOL LIBRARIES

K-12 LIBRARY MEDIA TECHNOLOGY SPECIALIST | MRS. MICHELE GREEN
MIDDLE-HIGH SCHOOL LMC ASSISTANT | MRS. TINA PRINDLE
ELEMENTARY LMC ASSISTANT | MRS. LORI TRAVIS

ELEMENTARY NEWS

We are busy learning to love reading, books, and technology in the elementary library! Students were welcomed back to school with library visits within the first week of school for fresh, new books! Lower elementary students enjoy a picture book read aloud each library time, along with book check out and an activity. For example, in October, students were challenged to build a tall tower with candy pumpkins after reading the book *Growing Pumpkins* by Melvin Berger.

Alyssa Martin builds a tower with candy pumpkins

In October, the annual Book Character Pumpkin contest was held and it did not disappoint! 47 pumpkins graced our library shelves for the week of Halloween and students voted on their favorites. We had everything from Smurfs to Dog Man, to footballs! Winners were awarded with a book, a bag, and a (candy) bar!

WINNERS WERE:

The 2021 Greenwood High School Homecoming Court class representatives were (L-R) Freshmen - Bria Thomas and Jaren Cullen, Seniors - Nicholas Briski and Emma Schlough, 2021 Homecoming Queen - Mesa Rasmussen and Homecoming King - Blake Lofquist, Juniors - Ricarda Goetze and Logan Gorton, Sophomores - Tiffany Mitte and Andy Mitchell.

2021 HOMECOMING HIGHLIGHTS

Homecoming officially began on October 10th as the students began decorating hallways. They launched into Monday with Adam Sandler Day. Tuesday was Movie Duo day, Wednesday was "On Wednesdays We Wear Pink", Thursday the classic Class Color Day, and Friday the students showed their school spirit by decking out in red and white for Greenwood Spirit Day. Throughout the week, each class showed off their decorated hallway and banners as they displayed their theme of "Movie Franchises."

On Friday, the High School Pep Band kicked off the start of the Pep Rally, and so began the activities. The Senior girls won the volleyball tournament after beating the champion Senior boys in a final match. The students then moved on to their other activities like the Egg Toss and Musical Chairs.

Grand Marshals Kent and Wendy Hinker were announced, as well as Super Fans Bill and Virginia Schlough.

The Greenwood Elementary students lined up on the sidewalks as the parade marched down Main Street.

BY MESA RASMUSSEN STUDENT COUNCIL VICE PRESIDENT

The Varsity Football boys took home a win Friday night against Marion-Tigerton 66-22. The winner of the spirit stick was announced at halftime, congratulations Sophomores! The School District of Greenwood thoroughly enjoyed coming back together for a normal, COVID -19 free Homecoming 2021!

GREENWOOD MUSIC DEPARTMENT NEWS

The Greenwood Music Department is back in full swing this year!

**BY MS. MARIXA WEPFER
MUSIC INSTRUCTOR**

Students have been very thrilled to be able to be rehearsing music all in the same room together, playing pep band at athletic events, and prepping music for both the Veterans Day Program and our Winter Concert. The high school pep band, concert band, and jazz band have been enjoying making music together. Not only did we get to perform at both volleyball and football games, but we also got to have a float in the Homecoming Parade! Thanks so much to Andy, Missy, and Dylan Nielsen for providing the hay wagon yet again this year! The middle school band and choir have been busy playing "catch up" from our weird COVID-19 years. No worries though, we have all been working hard to get ready for December 13th!

Thank you so much to all that purchased cookie dough and crisps from our fundraiser this year! Your support of the music department is greatly appreciated by all!

ALL CONFERENCE BAND AND CHOIR FESTIVALS

Eleven students from Greenwood High School will be participating in the Cloverbelt All Conference Band and Choir Festival on Saturday, January 15th, at Fall Creek High School. Students are nominated and selected based on their talent and participation in solo/ensemble and other honors groups. Students selected for this year's honor choir are sopranos: Destiny Durrstein, Delaney Kirchner, and Jasmine Wolf and altos: Morgan Raese and Mesa Rasmussen. Band students include Emily Hebert (flute), Emma Schlough (flute), Anna Aichele (clarinet), Rheyra La Mont (clarinet), Nicole Briski (baritone saxophone), and Braelynn Johnson (trumpet). They will rehearse all day on January 15th with the top students from the Cloverbelt Conference and conclude the day with a concert at 6:00 p.m. Admission is \$3 and all are welcome at the concert.

NHS & FCCLA CLUBS HOST HALLOWEEN PARTY

**BY ASHLEE HAMM
NHS SECRETARY**

On Saturday
October 30th,
the Greenwood
National Honor

Society Chapter, along with FCCLA, hosted a Halloween Party for elementary students. At the party we played games like Pin the Nose on the Pumpkin, Pumpkin Bowling, Halloween Golf, and Ghost Darts. In addition to the games, kids did arts and craft projects, got their faces painted by Miss Greenwood, and ate lots of snacks. There was a costume contest where we gave out prizes to the top three costumes in each age category. There were some fantastic costumes this year! It was overall a great event that collected a good amount of food for our local food pantry and was a lot of fun for everyone who attended.

NHS FALL CLEAN UP DAY

The Greenwood
National Honor
Society Chapter
participated in an
annual Fall Clean
Up Day on
Monday, October

**BY ASHLEE
HAMM
NHS
SECRETARY**

25th. The clean up day included the members going into the community and offering to clean up yards. The NHS is very grateful for everyone who allowed us to help out and clean their yard. We finished the day helping the Greenwood Chamber of Commerce clean up the public library park. Overall the day was a success and we can not wait to be able to do it again next year. Keep us in mind if you are interested in having your yard cleaned up next fall!

HEARTSAVER CPR/AED COURSES OFFERED TO COMMUNITY MEMBERS AT GHS

American Heart Association - Heartsaver CPR/AED courses are being offered at the Greenwood High School for interested School District of Greenwood residents.

**BY MS. WEHRS
HEALTH, PHYSICAL
EDUCATION AND
CERTIFIED HEARTSAVER
INSTRUCTOR**

matched to meet your needs.

You must be a resident of the School District of Greenwood and submit payment at time of registration payable to:

School District of Greenwood.

The Heartsaver courses are designed to target a broad audience and are designed to prepare the general public to provide cardiopulmonary resuscitation (CPR) and use an automated external defibrillator (AED) in a safe, timely, and effective manner. The course goals include cognitive and psychomotor objectives.

Heartsaver instructor-led courses are video-based courses that include group interaction and hands-on coaching and feedback from the AHA instructor. These courses prepare individuals for the most common types of first aid emergencies and equip them with CPR skills for adults, children, and infants.

The AHA has designed courses to address specific needs for your agencies. Please state the requirements you need for your personal situation. **Courses can be mixed and**

TO REGISTER: Please contact the High School Office if interested in one of the following courses. Space is limited to 9 pupils per class.

DEADLINE TO REGISTER: By noon on the date the class will be held.

BUTTER BRAID SALE

Do you enjoy
a tasty pastry in
the morning?

...then Greenwood Middle School students have just the thing for you!

WE ARE SELLING BUTTER BRAID PASTRIES FROM NOVEMBER 15-29

Use the link <https://store.myfundraisingplace.com/d22004b3-a4eb-4c79-aeffb-dcd35fff53a9> and search for Jenny H, or a middle school student of your choice. Once their name is clicked, all you have to do is fill your cart with delicious Butter Braid pastries.

Funds will be used to support our yearly student council activities.

Please contact

Mrs. Hafermann at

jehafermann@greenwood.k12.wi.us for more information.

Honoring ALL WHO served THANK YOU VETERANS

Thank you to our Veterans for attending the Greenwood High School Veterans Day Program held on November 11th. Students in grades 5-12 were able to hear Aaron Griesen, current Clark County Veterans Service Office officer, and several other veterans speak. The Legacy Stone was presented to Frank Arch, who served in the Berlin Crisis.

ABOVE RIGHT: Mr. Frank Arch and his family are shown with his legacy stone.

RIGHT: Elmer Noah (L) is listening to Donald Lindner (R) share his military experience.

FOOTBALL SEASON HIGHLIGHTS & AWARDS

When the 2021 football season began, we really didn't know what to expect after graduating eight seniors last year. Twelve of our 15 players had very little varsity experience. This year we were starting from scratch much different than last year. We were fortunate to gain back five players who have not played in a few years. Our first conference game was a very good test for us and we played one of the better teams in the league. That game came down to a last play loss, but the boys responded to it and worked hard to fix what we needed. Week 2 we played a very athletic team and pulled out this team's first win. Week 3 gave us another win and we kept improving. The boys probably played their best game in week 4 against one of the best teams in the state and played with them until late in the 4th quarter. We finished our regular season 4-3. This team improved so much throughout the year and that's all we can ask for as a coaching staff, not to mention they are a great group of kids and quite entertaining. Congratulations on a very successful season.

**BY HEAD COACH
CHRIS SCHMITZ**

2021 GREENWOOD VARSITY FOOTBALL TEAM

ALL CONFERENCE OFFENSE AWARDS

- **Xander Hinker** – 1st team – Running Back
- **Rogan Travis**—1st team - Offensive Line
- **Ethan Shaw** – 2nd team – Offensive Line

ALL CONFERENCE DEFENSE AWARDS

- **Rogan Travis**—1st Team - Defensive Line
- **Fletcher Bredlau**—1st Team - Linebacker
- **Christian Thomas**—2nd team - Defensive Back

- **Xander Hinker** – 2nd team – Punter

TEAM AWARDS:

- MVP – Xander Hinker
- Offensive MVP – Xander Hinker
- Defensive MVP – Rogan Travis
- Special Teams Player of the Year – Gage Ludovic
- Practice Player of the Year – Wyatt Thomas
- Utility Player of the Year – Kody Johnson
- Most Improved Player – Ethan Shaw
- Hatchet Award – Christian Thomas
- Best Lineman – Rogan Travis

OTHER NUMBERS OF INTEREST THIS SEASON ARE:

- **Rogan Travis** led our team with 10 sacks this season, which places him tied for #1 on the all-time sack leader list with 14 career sacks.
- **Xander Hinker** currently ranks #9 all-time for 100 yard games with 6 games.

Greenwood Drama
Department Presents

BANG BANG YOU'RE DEAD

DRAMA DEPARTMENT MAKES IT TO THE WHSFA STATE THEATER FESTIVAL

"Bang Bang You're Dead" is Greenwood's 1-act competition play performed for judges

**BY DIRECTOR
JO ELMER**

to advance through levels of competition to secure a place among the best theater productions in the state. Performing in person for the first time since Covid's virtual and masked performances last year. The drama department Districts was held at Regis High School in October and Greenwood advanced with the second highest scores of the day. The Sectional competition was sent in virtually, due to unforeseen circumstances, and advanced with all three judges giving the thumbs up. The State performance is scheduled for November 19th at the Noel Fine Arts building on the UWSP campus.

Here the students can earn acting awards and honors.

"Bang Bang You're Dead" is a visceral examination of the culture that can breed violence in a contemporary society, and a heartbreaking introspection at the aftermath of that violence. Josh is confronted by the five victims from his shooting rampage at the school. They have returned to comfort him and relive the events that led up to the moment. He contemplates Suicide, but then chooses to take his aggression, anger and depression out on others. Ultimately, Josh realizes what he has done, as he sits in his jail cell.

This production examines mental illness with a character named Shadow that could be

interpreted as his conscience, the devil, or mental illness itself. Shadow plays an important part in pushing Josh to make the decision to commit violence.

The lead in this 1-act play production is played by Rogan Travis. His victims are played by Christian Thomas, Destiny Durrstein, Morgan Raese/Amanda Durrstein, Braelynn Johnson and Mason Stieglitz. Rounding out the cast playing court room and family influences are Christian Kuester, Wyatt Thomas, Emily Hebert, Katlund Etlicher, Jennifer Rodriguez, Marissa Hernandez, Bria Thomas, Tysen Lindner, and James Durrstein.

ESPORT NEWS

BY MICHELE GREEN
CO HEAD COACH

Greenwood's inaugural esports team is assembled and competing! What is esports? esports is the world of competitive, organized video gaming. Our athletes attend practices, have Varsity matches against other teams, and review tape after the match. Members of the team are working together to defeat their opponents and strategize the best ways to do so. Coached in fall/winter by Mr. Steve Geisthardt and in spring by Mrs. Michele Green, the team competes in Division 3, along with schools like Bruce, Wautoma, Tomahawk, Fennimore, Lutheran, and more. In fall/winter, the game is Overwatch and in Spring, we will be competing in Rocket League.

The team's record is currently 2-1, with wins against Marshall and Manitowoc.

Mr. Geisthardt and Kynon La Mont practicing esports.

Rowyn Simonsen practicing in Overwatch.

ANATOMY AND PHYSIOLOGY CLASSES PREPARE FOR SURGERY

The Anatomy and Physiology Class has been busy this fall reviewing some basic biology principles and is starting the study of the human body. We also brought back this year some advanced biology topics such as dissections. In the pictures shown above the classes are preparing for surgery as they are about to dissect a spiny dogfish or a species of a small sharks. As marine creatures these animals are fairly harmless to human divers, but are ocean predators nonetheless. The students will examine such features as the lateral line system and nose sensors that allow the fish to detect and interpret

MR. DAVID POST SCIENCE INSTRUCTOR

hydrodynamic distortions that could signal prey or enemies in their environment. The class is also including some molecular genetics topics this year including review of basic gel electrophoresis, gel separation techniques of DNA analysis, and doing some forensic analysis of blood samples such as in crime solving techniques. The class is preparing for a field trip to UW-Stout to experience the cadaver lab and the electrophysiology/psychology lab where brain waves are analyzed through minute changes in temperature of subcutaneous receptors.

/s/Dawn Jacobson, District Clerk
Approved October 14, 2021

ANNUAL MEETING MINUTES SEPTEMBER 27, 2021

The Annual Meeting called to order by President Jerome Krempasky at 7:30 p.m. on September 28, 2020, in the Greenwood High School Cafetorium.

The Annual Meeting notice was published in the Tribune Record Gleaner on September 15, 2021 and the District of Greenwood newsletter that was mailed on September 21, 2021.

A motion made by Ralph Smrecek, Jr. and seconded by Mark Shain to elect Jerome Krempasky as Chairperson for the meeting. Motion carried.

A motion Mark Shain and seconded by Jerome Krempasky to appointed Jean Zimmer as clerk in the absence of Dawn Jacobson, District Clerk.

The 2020 Annual Meeting minutes were discussed.

Jean Zimmer presented the 2021-22 District Budget and Revenue Limit worksheet

School District of Greenwood Welcomes New Staff Members

School District of Greenwood is proud to introduce our new staff members for the 2021-22 school year.

New staff members shown above include (L-R): Susan Steffen - PK-12 Art, Abby Rowan - Kindergarten Education Assistant / Kids Club Coordinator, Theresa Jensen - Elementary Special Education, Clint Alexander - Language Arts (7-8)/Social Studies (7-8), Cheyenne Thompson - 5th Grade, Rebekah Dorwaldt - 4K.

NOT PICTURED: Ashley Imm - 4K Education Assistant / Kids Club Coordinator and Kandice Schoolmaster - Education Assistant.

along with the detail of Fund 73. WUFAR code descriptions were discussed.

Mark Shain, District Treasurer, reviewed the Treasurer report.

District Administrator's Report: Mr. Felhofer reported on the 2020-21 year with Covid, implementing the One to One program, and the district was able to remain open all except 2 days. 2021-2022 is off to a good start with masks being recommended by not required and with minimal Covid cases at this time. Tentative enrollment numbers are looking to be up 3-5 students with some virtual students returning to in-person. Summer school along with the first 2 days prior to September 1st, really boosted our summer school to 17 days. There were many summer projects completed such as the new blacktop on the elementary drive access, some elementary carpet has been replaced, and classroom sinks are being replaced. A few more cameras have been added at each of the

building, the tennis court has been patched, and the retaining wall has been repaired at the high school. Gym floors at the high school will be resurfaced after volleyball season. Bids have been solicited for the high school gym bleachers and the basketball hoop lift system and the east gym acoustical system. We will be having a hearing prior to the October meeting regarding the CARES & ESSER grant funds.

A motion made by Ralph Smrecek, Jr. and seconded by Phyllis Goeke to approve the tax levy of \$2,326,328 for the General Fund-10, and tax levy of \$15,000 for the Community Service Fund - 80. Motion carried with one nay

A motion made by Dan Coughlin and seconded by Ralph Smrecek Jr. to approve the Salaries of the school board members the same as follows Board President at \$1,670 and all other members \$1,370. Motion carried.

A motion made by Dan Coughlin and seconded by Ralph Smrecek, Jr. to approve the reimbursements for a school board member on a per diem basis to be absent from his or her job duties to be paid for being absent from his or her job duties in the amount of \$125 per day, remaining the same. Motion carried.

A motion made by Dan Coughlin and seconded by Ralph Smrecek, Jr. to approve the Sale of obsolete school district property. Motion carried.

A motion made by Dan Coughlin and seconded by Jerome Krempasky to approve the Board to acquire real estate through purchase or condemnation with approval of the public. Motion carried.

A motion made by Dean Lindner and seconded by Ralph Smrecek, Jr. to authorize the sale of school property. Motion carried with 1 nay.

A motion made by Jerome Krempasky and seconded by Mark Shain to authorize the district to purchase student accident insurance. Motion carried.

A motion made by Ralph Smrecek, Jr. and seconded by Rebekah Greisen to set the date of the 2022 Annual Meeting on September 26, 2022 at 7:30 p.m. Motion carried.

Other business appropriate to an Annual Meeting, Phyllis Goeke, Town of Warner, would be interested in seeing more data regarding the virus in the school district. This would be good information submitted to the web page or the newspaper.

A motion made by Ralph Smrecek, Jr. and seconded by Rebekah Greisen to adjourn the annual meeting. Motion carried adjourned at 8:18 p.m.

/s/ Jean Zimmer, Acting Clerk

SPECIAL BOARD MEETING MINUTES OCTOBER 25, 2021

A Special meeting of the Board of Education, School District of Greenwood was called to order on October 25, 2021 at 7:02 p.m. in the Board Room by President Jerome Krempasky. Present at roll call were Krempasky, Jacobson, Lindner, Shain and Greisen. Quorum established.

A motion made by Lindner and seconded by Krempasky to approve FMLA for Carey Bryhn. Motion carried.

A motion made by Shain and seconded by Greisen to table action on the Rodeo field trip at this time. Motion carried.

PRESENTATIONS: None

COMMUNICATION FROM THE PUBLIC: None

REPORTS:

Principal's Report: Mr. Green reported on the successful picture day, October pumpkin book character contest, update on the outdoor classroom, and parent-teacher conferences had a great turnout. It is nice to be able to send staff out to conferences for more training this year. AGR Gap Reduction Program information was shared. Staff will be working on identifying and understanding the standards we teach on November 3 in-service.

NOTICE OF SCHOOL BOARD ELECTION

(S. 120.06 (6) (b), Wisconsin Statutes)

Notice is hereby given to qualified electors of the School District of Greenwood that a school board election will be held on Tuesday, April 5th, 2022 to fill the following board position:

⇒ AREA 1 – DAWN JACOBSON – 3 YEAR TERM EXPIRES IN 2022.

(Area 1 is all school district territory East of Highway 73 and not within the Greenwood city limits.)

⇒ AREA 4 – REBECCA GREISEN – 3 YEAR TERM EXPIRES 2022.

(Area 4 – is member school district territory included within the Greenwood city limits.)

An elector desiring to be a candidate for a position on the school board must file a "Sworn Declaration of Candidacy" at the School District of Greenwood, District Administrator's Office, 306 W. Central Avenue, Greenwood, Wisconsin between the hours of 7:30 a.m. and 3:30 p.m. on Monday through Friday, mailed to the address noted above, or filed personally with the school district clerk or school district deputy clerk prior to 5:00 p.m. on the first Tuesday in January prior to the spring election, or on the next day if Tuesday is a holiday.

Dated this 8th day of November, 2021
/s/ Dawn Jacobson, District Clerk

Athletic Director/Dean of Students Report-

Mr. Felhofer reported for Ms. Mayenschein – fall sports are wrapping up. Dig Pink was very successful. E-sports is getting started this year for high school this year.

Homecoming week this week, the halls were decorated last night with a movie theme, spirit activities will be happening on Friday along with the parade.

District Administrator's Report: There are several bills being considered in Madison at this time. Our official enrollment is in at 399 this year, up 12 from last year. On September 22, over 40 students (Jr/Sr mix) went to the Wisconsin Educational Fair in Eau Claire to explore future educational

options.

BOARD MEMBERS' REPORTS-CESA 10

Mark Shain reported that the CESA 10 board of control meeting is coming up.

Jerome Krempasky reported on the Transportation Committee meeting.

The CARES/ESSER meeting was discussed in the open hearing before the meeting.

COMMITTEE REPORTS: Above

School Operations Update: Covid 19 news, year to date we have had seven positive cases reported.

Assessment Results: ACT test results were discussed and some test data is still

embargoed until November. Niche.com school rankings were shared.

BUILDING & GROUNDS:

Mr. Green and Mr. Felhofer gave an update on the brick tuck-pointing and painting.

Information was shared on the ESSER Funds in the hearing. Quarterly claims will be filed for these funds.

FINANCE:

Jeanie reported that the final membership number of 399 does remove out projected amount of declining enrollment aid but this increase in students does help the overall 3-year average. The final general aid amount has not been released from the state yet, so we will need to have a special board meeting for the budget approval.

CAPITAL PURCHASES:

A motion made by Lindner and seconded by Shain to approve the Goodson quote for west gym bleachers. Motion carried.

A motion made by Krempasky and seconded by Jacobson to approve the purchase east gym acoustical tiles. Motion carried.

A motion made by Jacobson and seconded by Shain to approve including elementary youth basketball under the district recreation program. Motion carried.

POLICY

Last year's priorities were shared and the 2021-22 District priorities will be reviewed next month.

EMPLOYEE RELATIONS:**STAFFING UPDATE:**

All positions are filled at this time. Dean asked about the middle school interventionist position.

Information on possible incentives was shared for substitute teacher compensation. No action was taken.

Covid Leave options were discussed.

Other matters that may legally come before the board:

Administrative evaluations will be filled out for next month's meeting.

ADJOURN

A motion made to adjourn the meeting by Lindner and seconded by Jacobson. Roll call-all in favor. All ayes. Motion carried to adjourned meeting at 8:58 p.m.

/s/Dawn Jacobson, District Clerk

WINTER WEATHER REMINDERS

We have enjoyed some great fall weather, but we all know that winter is just around the corner. I know that the first thought about winter many students have is: Snow Days!

How is the decision to cancel school made?

The decision-making starts prior to 5:00 AM by communications with neighboring school district administrators, bus company staff, and school board members. In addition, weather conditions, weather warnings and forecast information from the National Weather Service are reviewed. **The most important consideration in making this decision is always the safety of our students and staff.**

It is our goal to have this decision made by 6:00 AM.

If school is canceled, or dismissed early due to inclement weather, ALL afterschool and evening school activities, practices, and games

are also canceled.

Information regarding school closings will be shared with the public in following ways:

⇒ SkyAlert
Message Center-our automatic phone message system.

- ⇒ Skyward Family Access will generate email messages to households with email setup.
- ⇒ TV Stations-WEAU TV 13, WSAW TV 7, WAOW TV 9, WQOW TV 18
- ⇒ Radio Stations- WCCN AM 1370, WCCN FM 107.5, WAXX FM 104.5, I-94 FM 94.1
- ⇒ The District's webpage will also post any closings or dismissals.

The school district may transition to virtual learning days for select school closings based on the number of closings or the anticipated duration of a closing.
