

Upgrade and Improvement Plan for athletic complex at Nebraska City High School

Project	Cost	Level Priority	Reasoning
Turf Replacement	\$458,304	1	Safety issues must be addressed immediately.
Track Resurface	\$83,000	2	Prevent further deterioration. Extend the lifespan of the track.
Lights (LED) (may also need power supply to poles)	\$164,837	2	Resolve electrical issues. Old replacement parts are no longer available. Replace with reliable, safe and efficient LED. Improve field coverage.
Visitor Seating Removal and Replace with Pole Vault Area (may also need portable bleachers)	\$80,000	3	Age of materials and safety concerns. Provides space for Pole Vault events.
Scoreboard (LED)	\$27,478	4	Upgrade. Electronic signage for both NCPS and LCC.
Discus and Shot Put Rings/Sectors	\$43,500	4	Update to provide regulation rings and sectors. Currently do not meet regulation.
2 additional Flag Poles (3 total for U.S., Nebraska and school flags)	\$8,000	4	Opportunity to display pride in country, state, and school for NCPS and LCC.
Retaining Wall near Arbor Day Farms	\$100,000	5	Aesthetic value and gain square footage for safety in Discus and Shot Put areas . Would work with Arbor Day Farms.
TOTAL	\$965,119
