To Whom It May Concern:

I am writing on the behalf of the Tinora Archery Club. The Tinora Archery Club is a National Archery in the Schools Program (naspshools.org) self-funded participating club. The Tinora Archery Club is for students in grade 4 through 12 and doesn't discriminate based on popularity, athletic skill, gender, size, or academic ability. Our club comes together around one thing, Archery. This school year we are reaching over 75 students grades 4 through 12. Our club will also be participating in tournaments throughout the area and will host a tournament of our own. Tinora Archery is part of the Black Swamp Archery League. Information about this league can be found at:

**<https://sites.google.com/view/blackswamparchery/home>.**

Our club is looking for sponsors to help fund the costs of offering this self-funded activity. Sponsorship money will be used to purchase items such as right and left-handed bows, arrows, repair kits, targets, arrow curtains and more. Targets, arrows, bow strings, and bow parts are yearly costs incurred as replacements of these items are needed. We are offering sponsorships at 3 levels:

Platinum Level	\$100 or more
Gold Level	\$75 to \$99
Silver Level	\$50 to \$74
Friend Level	Other donation

Upon sponsoring, you will receive a Certificate of Sponsorship and a receipt for your donation. A list of our sponsors will be listed and thanked at our tournament in February.

It is our hope you will join us as a sponsor for our 2022 season.

Thank you for your time.

Sincerely,

*Eric Spiller*

Eric Spiller
