

1002
Creation, Amendment, and Distribution of Board of Education
Policies

Each of these policies shall become the official policy of the school district when the board has approved it by majority vote of the members present at any lawfully convened meeting of the board.

It shall generally be the practice of the board to adopt or amend any policy at any regular or special board meeting. The board will review policies at multiple meetings prior to taking action.

Each policy shall bear the date when it was adopted, revised or reviewed.

The superintendent shall distribute copies of these policies to all members of the board, maintain a master copy in the central office, and see to it that the policies are maintained on the school district's web site.

Annual Review

The board shall review all policies at least once every three years. Nebraska statutes require an annual review and/or hearing to solicit public comment on these specific policies:

Policy No. 5018 Parental Involvement Policy

Policy No. 5057 Title I Parental Involvement Policy

(NOTE: These first two are distinct parental involvement policies, and both must be reviewed annually.)

Policy No. 5045 Student Fees Policy

Policy No. 5054 Bullying

Policy No. 6020 Multicultural Education

Policy No. 4048 Student Assessment

Policy No. 4030 Teacher Evaluation

Policy No. 6005 Student Academic Performance.

Policy No. 3040 Safety and Security Committee.

Policy No. 5001 Attendance and Excessive Absenteeism.

The board may update or add policies as needed. The board shall determine the number of copies of policies to be made and their distribution. The superintendent shall maintain an up-to-date master copy of the policies in the main administrative office. Unless otherwise directed by the board, the master copy shall be considered the official district policy manual.
