Kinder Dual Immersion Class

Kevin Sprague, Teacher

Pictured are Kindergarten Dual Immersion students with Sr. Sprague.

Sr. Sprague was a student in the first ever BES Dual Immersion class in 2001 and one of the program's first graduates. He has returned to the program this year as a teacher.

Sr. Sprague is a tremendous asset to Bishop Elementary School's kindergarten dual classroom. He uses his dynamic and upbeat personality to teach 24 kindergarten students in both Spanish and English. When students aren't engaged in fun, biliterate learning activities, they are immersed in socio-cultural activities that help them learn, communicate, gain cultural insights, and develop relationships with others.
