---

Dec 3, 2021

Good evening Katahdin Families. I'm calling with a few district announcements.

As we continue to navigate the challenges of this school year please share your thoughts on the school plan that we have been following and whether changes should be made. Your input is valued. [A link to the survey is here.](#)

Our KMHS winter concert is Wednesday, Dec. 8th at 6:30 in the auditorium. We hope to see a great turn out. Masks are optional for this event.

Our KES book fair will run this week. Children will visit the book fair during their library time and it will be open during conferences. Student-Led Conferences for KES students will be held on December 9th from 3-7 and December 10th from 8-11. KES students do not have school on December 10th.

Katahdin Schools is striving to provide the best possible support for students who are required to quarantine. We truly appreciate your cooperation and support during times of quarantine. Just a reminder that virtual teaching will take place if an entire class needs to quarantine. When class is happening in-person, individual learning plans are being developed for those who are home. Please contact your child's school with any questions or concerns regarding their learning plans.

Remember we're in this together - as the school year continues it is important to complete the home health screening each day and not send sick children to school. A link to the home health check form will be in the email of this message. [Home Health Check Link](#)

Thank you for taking the time to listen to this message and enjoy your evening.

Marie Robinson  
Superintendent of Schools
