

Dr. Julie Hepton Nelson Scholarship

This scholarship has been established in gratitude to the families of Henry-Senachwine School District and in recognition of the value of further education.

Dr. Nelson was the Henry-Senachwine Grade and Junior High School Principal for eighteen years, from 2004 to 2022. As a lifelong educator, she believes that schools play a critical role in helping students deal with life's challenges and that education has the potential to significantly improve a student's whole life experience.

This scholarship for \$1,000, paid to a designated institution of further learning or training, is available to graduating seniors who plan on pursuing a trade certification, skill-training, or an Associate's degree.

Scholarship Application Requirements:

Please submit - a record of your attendance

- a record of grades to indicate consistent effort throughout all four years of high school
- a brief description of your future plans and how further education/training will contribute to them
- details of any specific need for scholarship funding

The application deadline is April 30th, 2023 and Dr. Nelson will select each year's successful recipient.
