If any RSU56 staff members need help with creating remote lessons, using Google Meet, Google Classroom or anything else technology related you can reach out to our Tech Department at help@rsu56.org, or my email is bkeene@rsu56.org. The same goes for RSU56 students, if you are having trouble with your emails or school issued devices let us know.

We are all in this together! Go Cougars!

Sincerely,

Brian R. Keene
Technology Director
