

Powell County High School Board of Trustees

Goals 2021-2022

Core Purpose + Core Values = Core Ideology

Core Purpose

The Powell County High School District has as its mission to provide the environment and guidance needed to foster skilled, knowledgeable, and enthusiastic lifelong learners who will thrive in, and contribute to, the world they will inherit.

Core Values

Students, families, educators and the community are committed to sharing the responsibility for creating a student-centered educational community that promotes and acknowledges learning as a life-long process. In accomplishing our purpose, the Powell County High School Board of Trustees is focused on achieving the following results:

Leadership: The PCHS Trustees will foster essential leadership for the District.

- The Trustees will allocate financial resources to have the greatest positive impact on the performance and achievement of students and staff.
- The Trustees will be provided professional development opportunities throughout the year to enrich their own growth as a Board member.
- The Trustees will enhance the learning opportunities for students by providing professional development for all employees, and encouraging innovative instructional practices that lead to life-long reading and writing skills.
- The Trustees will annually assess their effectiveness as a Board, **and resolve to proactively establish a plan for improvement when deemed appropriate.**

Academic Excellence: The Trustees believe in promoting academic excellence by encouraging exploration, collaboration, and participation both in the classroom and through school activities.

- The Trustees will endeavor to provide relevant, integrated, and meaningful learning experiences for students that will prepare them for life.
- The Trustees believe the students of PCHS will demonstrate an understanding of their role as “citizen,” and their responsibilities and accountabilities regarding their community and government, as well as their rights and the rights of others.
- The Trustees are committed to the continual implementation of relevant educational technology, in order to enrich student learning and deliver more efficient services.
- The Trustees will ensure that PCHS provides a welcoming, safe, and well-maintained environment; and foster a positive and productive environment for students and staff where all students are challenged, respected, cared for and nurtured.

Communication: The PCHS Trustees believe effective and accurate communication is imperative for all education stakeholders, and in all educational pathways.

- The Trustees will encourage excellence in our school by maintaining a positive, productive, and transparent relationship with **students**, parents and community members.
