President Sonny Harrowa called the meeting to order at 3:30 P.M.

President Sonny Harrowa led the pledge of allegiance.

Jim Hyde and Karen Olson representing the South Dakota Department of Transportation presented preliminary drawings for the Highway 83 road project through Fort Pierre. The proposal would widen the road by the Parkview building. The Board expressed their concern with the safety issues of the proposed road construction and requested addition changes be made to the project. The width of the sidewalk on all school property, the replacement of fencing on the property, the loss of parking space and its replacement, and the addition of a traffic light for pedestrian crossing by the Elementary Building were all suggested. The Board will further discuss their proposals for the project at the October 10, 2006, Board meeting.

Duffy moved, seconded by Miller, to adjourn at 4:56 P.M. All voted aye.
