**Policy BDDH: PUBLIC PARTICIPATION AT BOARD MEETINGS**

Status: DRAFT - 2nd  
Reading

Original Adopted Date: 07/13/2022 | Last Reviewed Date: 10/03/2022

The School Board recognizes and respects the input which may be provided by the public on school district matters. The Board also recognizes and respects the distinction between a school board meeting that is open to the public and a public hearing held by the school board.

- At a school board meeting which is open to the public, members of the public may be present, observe and listen to the school board conduct its business and may speak during the school board meeting consistent with this policy.
- At a public hearing held by the school board, there is usually one topic presented by the District and discussed. The public is given the opportunity to speak and be heard on the topic which is the reason for the public hearing. This type of meeting allows for public participation under the rules designed specifically for that meeting and is not subject to this policy.

This policy applies only to regularly scheduled school board meetings held in open session. Matters addressed in executive session pursuant to SDCL 1-25-2 are not open to the public.

Complaints against school employees or students, and complaints related to sexual harassment or bullying, must be addressed according to specific School District policies before being addressed by the School Board.

When a complaint against a school employee or a student is brought to the Board during a public forum, the Board President/Chairperson will direct the person bringing the complaint to the applicable complaint procedure. The complaint procedures are designed to ensure the proper balance in protecting the rights of the person(s) bringing the complaint and the rights of the person against whom the complaint is made. The Board will address the complaint only if the matter has been appealed to the Board pursuant to the applicable complaint policy.

Persons making references to a specific school employee or employees, or a specific student or students during the public forum should be mindful that based upon what the person says during the public forum, the employee(s) or student(s) about whom the comments are made may have legal recourse against the person voicing the complaint.

Persons speaking during the Public Forum at a school board meeting shall not cause public inconvenience, annoyance, or alarm to the school board or any person, and shall not engage in threatening behavior, make unreasonable noise, be disruptive, boisterous, argumentative, or threatening, shall not make comments which are disrespectful to one or more persons, and shall not use profanity.

In order to assure that the Board may conduct its meetings in a respectful and efficient manner, the procedure for public participation at regularly scheduled monthly school board meetings is as follows:

**1. Agenda and Non-Agenda Items:**

- a. Before the meeting is called to order, an individual who desires to speak at a school board meeting must verbally or in writing inform the Superintendent, the Business Manager or the Board President of the person's desire to speak and the topic upon which the person intends to speak. The requesting party must sign a form (prepared by the school district) with their name, address, email and topic prior to the board meeting.
- b. During the time designated for Public Forum, the Board President will recognize the person who signed up to speak and the person may speak on the topic according to the rules set forth in this policy.
- c. A speaker shall be granted 5 minutes to present comments to the school board. Upon receiving a request for an extension of time from the speaker, the school board, upon a motion being made and passed by a majority of school board members present and voting, may grant an additional amount of time not to exceed 5 minutes. Additional extensions may be granted only upon a two-thirds vote of school board members present and voting.
- d. Should a number of persons wish to address the school board on the same agenda item, or

should the comments become repetitious, the School Board President, in the President's sole discretion, may shorten the time for comments to two minutes per person in order that persons wishing to address the school board may be heard and still allow the school board sufficient time to conduct its agenda business.

## **2. Adding an Item to the School Board Meeting Agenda in Order to Request Specific School Board Action:**

- a. Any person or delegation (with one person being the spokesperson for the delegation) making a specific request to the school board which would require formal action by the school board must present a written request to the Superintendent for the item to be placed on the school board's proposed meeting agenda.
- b. The specific request to add an item to the agenda shall clearly identify what is being requested and why, signed by the person making the request, and include the person's name, address, email and telephone number.
- c. The Superintendent will forward the request to the School Board President and the Board President will decide whether the item will be placed on the proposed agenda. Whether any item is to be addressed at the school board meeting is determined by a majority of school board members at the beginning of the school board meeting when the school board adopts the proposed agenda as printed or adopted after being modified.
- d. At the sole discretion of the school board, requests to the school board for specific action submitted after the proposed agenda has been posted may be:
  - Deferred until the next regular meeting or a special school board meeting, or
  - added to the meeting agenda for discussion purposes only, or
  - added to the agenda for discussion and possible action.

## **3. Authority of Presiding Officer:**

The Board vests in its presiding officer the authority to terminate the right of any person to speak at the end of the time granted pursuant to provision 1.d, provision 1.e. or provision 2.d. as set forth in this policy. The presiding officer may also terminate the right of a person to speak at a school board meeting should the person cause public inconvenience, annoyance, or alarm to the school board or any person, engage in threatening behavior, make unreasonable noise, disturb or be disruptive to an official school board meeting, or when comments are disrespectful to one or more persons, boisterous, argumentative, threatening, or contain profanity.

If deemed necessary by the presiding officer, the presiding officer may contact local law enforcement to have a person removed from the school board meeting as it is a violation of the law for a person to intentionally cause or create a risk of serious public inconvenience, annoyance, alarm or disturbance at a school board meeting.

**Original Adopted Date:** Pending | **Last Reviewed Date:** 10/06/2022

All professional staff members of the district will be employed by the Board upon the recommendation of the Superintendent. Should a person nominated by the Superintendent be rejected by the Board, it will be the Superintendent's duty to make another nomination.

The Superintendent will assure that all persons nominated for employment meet state certification requirements and the qualifications established for the particular position.

Interviewing and selection procedures will assure that the principal or other administrator to be directly responsible for the work of the staff member has an opportunity to aid in his/her selection; however, the final recommendation to the Board will be made by the Superintendent.

All candidates will be considered on the basis of their merits, qualifications, and the needs of the district. In each instance, the Superintendent and others playing a role in the selection will seek to hire the best-qualified person for the job.

When hiring new staff members, the Superintendent or other administrator shall attempt to include an appropriate staff member to meet with and visit an applicant and to respond to the Superintendent or other administrator. This does not include a review of credentials or other confidential materials. Any information gathered in such a process shall be regarded as privileged information.

Upon approval by the Board, a teacher will receive a written contract to be signed by the teacher, Board president, and school district business manager.

**Policy GCPA: REDUCTION IN PROFESSIONAL STAFF WORK FORCE**

Status: DRAFT - 2nd  
Reading

Original Adopted Date: Pending | Last Reviewed Date: 10/03/2022

### **STAFF REDUCTION**

Staff reduction occurs when the Board eliminates all or part of an existing position held by anyone to whom continuing contract rights apply. In the event the Board determines that a staff reduction is necessary, the following guidelines will be considered:

1. An effort will be made to effect the reduction through normal attrition. The Education Association will be notified and group recommendations considered if received within 14 days of issuance of the notice.
2. Positions held by persons with less than full certification for their current teaching assignment will be open to a properly certified and experienced continuing contract teacher who has been notified that his or her position has been eliminated and has requested to be considered.
3. If a position of a continuing contract teacher is eliminated due to staff reduction, the Board will determine which continuing contract teacher or teachers are to be released, considering the following criteria, as applicable. The criteria are not in rank order of importance:
  - a) Student and curriculum needs;
  - b) Prior evaluations;
  - c) Competency;
  - d) Qualifications;
  - e) Certification;
  - f) Experience in the area to be taught;
  - g) Educational background;
  - h) State and federal mandates;
  - i) Administrative recommendation.

The continuing contract teacher who has been notified that his or her position has been eliminated shall notify the Board of any positions for which the teacher wishes to be considered and can establish required qualifications.

The Board will follow the provisions of state law in making staff reductions involving professional staff members on continuing contract status.

### **RECALL**

For the purpose of this policy, the effective date of a lay-off by reduction in force shall be June 30. The teacher subject to reduction in force termination shall provide a list of positions for which the teacher wishes to be considered and is qualified to fill. If, during the first fiscal year subsequent to the lay-off, a vacancy occurs in the grade, subject area, and activity for which a laid-off teacher, wishes to be considered, an offer of re-employment shall be extended to the teacher, subject to interview and updated background check. When more than one staff member has the same recall date for the open position, the Board may consider, among other things, the matters identified in paragraph three of this policy.

Recall privileges cease when a staff member resigns. Recall privileges will also cease if, upon being recalled, the staff member fails to report within twenty (20) calendar days after the mailing of a written notice of recall. Such notice shall be sent to the last address furnished to the superintendent by the staff member, and the twenty (20) day period shall commence to run on the day the notice is mailed. Recall privileges will not apply to teachers under contract with another school district unless that recall is for anticipated positions in the ensuing year.

**Policy GCPB: RESIGNATION OF PROFESSIONAL STAFF MEMBERS**

Status: DRAFT - 2nd  
Reading

Original Adopted Date: Pending | Last Reviewed Date: 10/06/2022

If a professional staff member intends to resign from his/her position, notice must be given to the Board at the time of contract renewal.

Should a professional staff member resign at a time other than that of contract renewal, the contract may be terminated by mutual consent of the contracting parties or by the statutory provisions of the laws of South Dakota. If no mutual consent as to termination exists and if the staff member initiates the termination of the contract prior to its termination date, the school district may withhold any monies dues the staff member or collect from the staff member payment of liquidation damages detailed in the contract or negotiated agreement.

Non-certified staff employees are employees-at-will pursuant to SDCL 6-4-4 (i.e., an employment having no specified term may be terminated at the will of either party on notice to the other, unless otherwise provided by statute).

Non-certified staff employment contracts will identify the employee's hourly rate of pay. Any reference to pay on a monthly basis or over a nine or twelve month period is given in order that the employee may be aware of the monthly and annual compensation should neither party terminate the contract. The Employment Agreement will additionally identify applicable employment benefits. Non-certified staff employees shall not work in excess of forty (40) hours per work week without prior written approval from the employee's supervisor.

The Board will establish the rate of pay for the full-time, part-time and substitute support staff, including secretarial staff, aides, custodians, maintenance, bus drivers and cafeteria workers.

**Original Adopted Date:** Pending | **Last Reviewed Date:** 10/03/2022

The number of employees may be reduced due to a change in program, a change in the size or nature of the student population, or budgetary considerations. The Board will attempt to accomplish such a reduction through normal staff attrition, unless the best interests of the school district dictate otherwise.

In the event reduction of staff is necessary, seniority will be considered along with performance in determining employees who will be affected by either layoff or changes in position. Employees being terminated will be given a two-week notice.

Before a new employee is hired, a staff member whose employment has been suspended due to reduction in force will be given opportunity to return to work should the position be reinstated or other suitable vacancies open.
