

Application for Incoming Freshmen Students for 2023-2024 academic year

General Information

Applications must be completed by December 15, 2022.

Please submit via DocuSign unless paper copy is required.
All Scholarship Applicants will be notified of the decisions.

The Dakota Corps Scholarship Program, created by Governor Rounds, is aimed at encouraging South Dakota high school graduates to:

- Obtain their postsecondary education in South Dakota.
- Remain in the state upon completion of their education.
- Contribute to the state of South Dakota and its citizens by working in a critical need occupation.

The current critical need occupations are:

- **Teaching** in the following areas in a public, private, or parochial school

K-12

- Special Education
- Foreign Language
- Vocal or Instrumental Music
- English as a Second Language (ESL) or English Language Learners (ELL)

Secondary

- Math
- Science
- Language Arts
- Career and Technical Education (CTE)

- Working as an **Accountant / Auditor**.
- Working as an **Engineer** (includes all fields *EXCEPT* mining, chemical, biomedical, and computer hardware)
- Working in an **Information Technology** related field (i.e. Computer Science, Information Assurance, Information Security).
- Working as a **Registered Nurse (RN)**.

The scholarship amount will be equal to tuition and generally applicable fees for 16 credit hours at a public South Dakota college, public technical college, or tribal collect. The scholarship amount at a participating private college will be the same amount that is paid at a public South Dakota college. Participating colleges will provide additional scholarship to cover remaining tuition and fees if needed. It is the intent of the program that the scholarship recipients do not have to pay anything toward tuition and generally applicable fees.

Note: From the total pool of applicants, a limited number will be selected. Also, some South Dakota colleges may limit the number of scholarship recipients they accept, or not participate at all.

To be considered for the scholarship you must meet all of the following:

- Have graduated from an accredited South Dakota high school with a Grade Point Average (GPA) of 2.8 or greater on a 4.0 scale. Home schooled students will be allowed to provide supplemental information to qualify if the information for this requirement is not available.
- Have 27 ACT Composite or Superscore or greater (or the SAT equivalent).
- Agree in writing to stay in South Dakota and work in a critical need occupation after graduation for as many years as the scholarship was received plus one year.*
- Apply for the Dakota Corps Scholarship for a school period that begins within one year of high school graduation, or within one year of release from active duty of an active component of the armed forces.
- Be an incoming freshman at a participating South Dakota college as an undergraduate student in a program that will prepare the student to work in a critical need occupation.
- Be a U.S. citizen or national.

Programs are limited to four years of scholarship. Scholarships will not be provided for summer session students enrolled in traditional four year programs.

To maintain your scholarship eligibility you must:

- Maintain a 2.8 GPA on a 4.0 scale.
- Be considered a full-time student as defined by the college.
- Make satisfactory academic progress towards a degree.
- Be certified as accepted into the specific program by the start of your junior year (if in a four year program).
- Attend a participating South Dakota college.

***This scholarship becomes a low-interest loan if you fail to fulfill the program requirements.**
