Subject: It is time

It has been my absolute honor to have been able to spend my teaching career at Elm Street School. I have been blessed and honored to have worked with five wonderful women. Nancy Foster (14 yrs), Sue Campbell (7yrs), Sarah Wylie (7yrs), Erin Godfrey, and Delores Allred. These ladies were a huge part of our reading program. They are the best value in education. I truly feel that I am the luckiest man on the face of the earth to have completed my teaching career in Bishop. I am sorry that I will not return next fall. Thank you to everyone I have worked with. Sincerely, Joe Burgoyne.

Dear Bishop Unified School District Board,
Mr. Simpson, and highly esteemed colleagues:

It is with a dancing heart, eager mind, and active body that I announce I will not return to teach next year. These 39 years have not just shaped my life, they have BEEN my life. I have known and loved thousands of students and often gone on to teach their own children. It has been such an honor to teach alongside such a diverse and talented staff all these years! I came as the youngest teacher in the district and got to hold that honor for twenty years. After that, I slowly became one of the oldest.... and now the oldest of all. Time sure does fly when you're having fun!

I want to thank the community of Bishop from the deepest part of my heart. I have nearly always felt appreciated, loved, and respected.

Sincerely,
Victoria Hamilton
