News from the Superintendent!

Dear Patrons,

Summer is upon us and it's 100+ outside as I type this. I've had the pleasure of watching many softball games and a few baseball games this summer. Hope you all are enjoying extra time with family while staying safe from the heat (and mosquitos).

Even though it's summer the school is still a busy place with students around everywhere we look. Driver's education is going strong with 25 students enrolled in that this summer. Be on the lookout for the red driver's education van with the yellow triangle on top. At the CCHS weight room we are averaging 55-60 CCMS and CCHS students a day in the weight room. They are all working hard and their hard work will be rewarded this upcoming year by better performances on the fields and courts. Thanks to Coach Steinbrock, Coach Baxter, and Coach Reith for organizing those sessions. Also, attached to the back of this newsletter you'll see a flyer for Coach Steinbrock's CCMS/HS football camp. Summer school will be starting at the grade school early in July and that will begin bringing more students back into that building. Lastly, but certainly not least, we are having pretty good numbers for summer lunch programs. Check out the ad on the back of this page for locations and times. Menus are available on the USD 224 app or can be picked up at the serving locations.

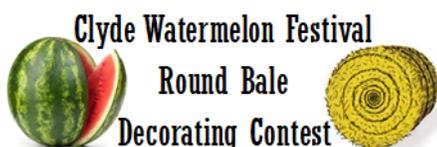

Enrollment for the 2018-2019 school year will be held August 7 from 1pm-7pm. This is so that people that work during the day can come during the evening and vice-versa. If you can't make it during that time please just contact your student/s school and let them know and they'll work with you on the process. That'll be here before we know it.

If you have any questions please feel free to contact me at anytime.

Sincerely,

Art Baker
