#### I. Call to Order

Scott Coleman is excused.

a. Approval of Agenda

1st-Howe 2nd-Douglas Motion carries by unanimous vote of the Board

b. Zoom Meeting Protocols

#### II. Reports:

### a. Assistant Superintendent's Report-Curriculum and Instruction

Saving report for reopening plan.

In Feb, would love to have Crystal Apple winners honored at meeting.

### b. Assistant Superintendent's Report-Business and Operations

State auditors will be here for annual accountability audit in February-all virtual. Board will be invited to hear from auditors.

January student enrollment: 2453, budgeted for 2443. HS has 75 students above the budget.

Dec financial report-revenue looks way under the budget on interest calculation. Estimate \$15,000, but we've already received \$16,000, Will help with budget as we move forward.

Jan we did receive \$300000 in state bilingual program. Jan financials will reflect.

Still waiting on Leg to fix transportation funding issue. Have received full funding thru January. February forward, unsure.

Comparing wages to last year, last year cert wages were 35%, this year it 32.5%. So we are under budget comparatively. Class at 25% this year, last year we were at 34%. Benefits, we are 30% spent. Extracurricular salaries have not been paid at all this year. Coaches are now coaching, so that will increase the expenditures. ESSR-1 funds: Have spent \$305K of the budget so far for Chromebooks and CoVid supplies. Have had a number of orders for PPE that will come out of this budget. OSPI thru Fed has announced ESSR-2 funds. Needs legislative approval. Can be used for cleaning, PPE, costs associated with CoVid, hotspots, Chromebooks, staff development for virtual learning. Hardly any building budget dollars have been spent due to virtual learning. Substitute teachers can be tracked and reimbursed if associated with virtual learning. Prosser HS Contingency budget-Dan Purefoy with CSG-HS construction manager. Bottom line: \$878K remaining in contingency budget, which is excellent. There are 3 items valued at \$45,000. Rock mulch (14K). Tracking the vandalism insurance claim (13K), hoping for full reimbursement. Adding some chainl ink (\$15K). Overall, doing very well on a \$52M job that is 80% done, we are through with all unforeseen changes. We expect no more than \$100K in added expenses. Landscape change was proposed by Chervenell. Came from the architect, district proposal, team effort. Not required, don't have to do it. Can we send

something back to our landscape architect to see if this is a good use of funds? Fuming hood details were off, needed to be redone. Error. On insurance claim, have initiated a claim with underwriter. No negative feedback so far. Hope is that we get all that money back. Deductible is \$10K, damage is \$24K. Chervenell paid deductible. No local dollars for this vandalism, hopefully. Would like to charge the individuals that did this, but no info yet.

#### c. Athletics/Activities Director Report

MS directors have been meeting, those activities have been on hold. A few schools have made the decision to not participate.

HS preparation-fall sports beginning 2/1/21. Fall registration on Family ID. Meeting on 1/19/21. There has been a restructuring of regions. Links are on HS page. Regions have to meet all of the four metrics every week.

WIAA has updated their guidance-specific phases indoor/outdoor, risk levels for each sport.

Practice, but no competitions except for XC. SeWAk has been trying to be flexible. Spring sports will be next March-May. Winter sports will be last.

When schedules do come out, West Valley, Sunnyside, to provide opportunities for competition. Schedule s are fluid. Hermiston not allowed to cross state line, no Kennewick. Transportation for after school is being looked at by Amiee and custodians/maintenance for fields. Coaches helping too.

Policy 3510-Everyone is working on this, it will get first reading tonight. Students need the seamless benefit of the HB, confidential. Ready to move forward with communication with the parents. Procedural pieces are in the works.

## d. CTE Director Report

CTE has opportunity to have all teachers and students during office hours. Teachers can present a schedule for individual help or welding assignment. If students need help in English, they can during office hours.

Attestations needed. Quick health scan by teachers. Each classroom will have PPE, sanitizer, etc. 6 students now, working up to 8 students. Model will allow us to test drive some stuff for the AA/BB schedule.

Pre-approval, verification of the Health Science and STEM classes both approved.

### e. Child Nutrition Director Report

Grab and Go, meals are being sent home on buses.

Families can sign up for a 5-Day meal box-form online.

Thanks to Bethel Church and Eric Larez for hosting 2nd Harvest.

\$20,000 charges in unpaid meal charges at the end of the year. Now down to \$10,000 from community donations.

We still have a few missing FRL. Benefits our district in many ways.

PBEAT Program can impact families later in the spring. Will be on district website and FB.

#### f. Maintenance Director Report

Custodial schedule for hybrid learning started. Logs for cleaning being done.

Filters just changed for the second time.

Remodels at KRV and Heights are extremely time consuming. Portable storage unit and dumpster on site.

Fields are difficult due to weather. Getting everything ready for Feb. 1.

Hiring subs for custodians, fully staffed.

Playgrounds are being divided into zones. Security guard helping with the painting.

Linda Kerr and Allison have been a huge help with PPE. Much of what we have is deployed to district.

## g. Migrant and Bilingual Director Report

Migrant program just had some families move due to lack of work. No challenges so far with migrant. Bilingual program will focus on ELPA21. Virtual and in person learning is being considered for dates, specific students, etc. Prioritizing students that will be in person for immediate testing.

Tutoring T, W, Th is still going well. Secondary is at South Gym at MS. Elementary is housed at Heights.

### h. Safety and Security Director Report

Thanks, Officer Chumway. Safety and security plans are being worked on at every building. Officers will no longer be able to participate with meals. Pulled back to school buildings during in-person

session.

#### i. Special Services Director Report

Following the reopening plans by buildings and districts. Planning for students on 1st. Specialized PPE for staff due to higher needs.

Amiee Cook has been helpful with pre-K transportation. Shortage of drivers, running both AM/PM sessions to keep everyone safe.

Challenges: virtual teacher in one of the rooms. Certificated staff in room is being arranged. Need more Life Skills paraprofessionals.

Speech, OT, and PT are rescheduling students to see students that are attending. Core content so we can not pull students during in-person time. Speech will remain virtual.

Have we brought back all of our laid off paraeducators? We have hired everyone back that wanted to come back. Kim Bolt has done a lot of work in prepping substitutes for paraeducators. Finding and accessing subs regularly. We've created systems and structures. Have enough para support to start school. Puts extra people in classrooms that we don't normally have there. Could be a small bump in costs.

## j. Technology Director Report

Planning for hybrid-a lot of work putting new technology in place. Docking stations for their teacher laptops. Quite a bit of technology. Can ESSR-2 funds be used? Yes.

Replacing doc cameras, not there yet. On back order-for February. Currently have a third of them.

Reassigning and restocking as we go. Working web cams for those classrooms.

Sub access will be ready on Monday. Appropriate people with appropriate access.

- Monitoring all of our bandwidth for Monday. Pretty confident we won't have an issue. We have done all of the research. IF not enough bandwidth, we can add more within a few days.
- Anticipating a lot of new frustration from teachers. Have blocked out M and T for in-person support

## k. Transportation Director Report

All ready to go, drivers coming in to get PPE tomorrow. Buses will be sanitized.

5 drivers short, so admin will be driving.

Continue delivering meals and homework packets on T and TH.

Meals on board before students.

SPED monitors are all covered.

### 1. REVISED-Principals' Reports-Update on Hybrid Reopening

Deanna Flores:

We are ready for K 50:50

Anticipated start date is 2/1/21. We may have challenges, we know that. We have been discussing with other districts.

K Cohort A starts on Feb 1, Cohort B starts Feb 4

1 Cohort A starts on Feb. 8, Cohort

3-5 Small Cohort A starts on Feb 1, Cohort B starts Feb 4

#### K-2 Models

Simultaneous instruction in the AM, focused on core. Interventions in afternoon. Specialists in afternoon, small group differentiation for SPED, communication out to parents. Distribution of materials, safety and protocol meetings for staff, PPE review, staff and handbooks completed.

#### 3-5

Similar to K-2 Models

Small pods of 6 with highest needs students. Most classes are 6 students. Focused on math and ELA. Having a district-wide safety and protocols. Parent handbooks handed out tomorrow.

Board members request staff and parent handbooks

#### K-5 Challenges

Technology-cameras are still missing, Shawn's team has walked through the buildings to solve some of the problems. Web and document cameras, adapters, projectors, bandwidth. Simultaneous learning is new for

everyone. Steep learning curve with staff. Are we ordering enough for classified staff for small group instruction? Not sure. Estimated. We will probably need to order more. Can use ESSR-2 funds. We need enough for everyone.

Staffing-If staff are sick, we need subs. Narrowing down custodial schedules and para schedules Construction-Mess at KRV and Heights. Workers coming in and out. Attestations, etc.

Transportation-Ties into construction with limited number of buses. Have module set up, but we need to see it live. Timelines will be tight. Another new learning, new transition. Like first day of teaching, very stressful and new. For K, it will be the first time for students to be at school. Really big thing with the protocols, social distancing, etc. Able to put more personnel in place to K acclimation.

Each building is distributing their own materials.

#### 6-12 Model

Small cohort model, 6 students per class with opportunity for in-class support and intervention. HMS will return 140 students with highest needs (migrant, bilingual, homeless, special education, tech issues). How will we support virtual students? There is a plan to alternate office hours and hands-on activities. HS will return 115 students with highest needs. Not enough vaccines. We'll be using paras as well. Teachers are providing instruction, paras supervising. SEL needs taken into account. Tutoring T-Th 5:30-7:00. Advisory and 3 class periods per day M, T, Th, F. Communication with parents/guardians happened. Student and staff safety protocol handbook completed. Countless phone calls regarding steps.

### Challenges

Staffing-classified and custodial arrived in full force. All resources deployed. New staff, coverage, internal coverage, sub pool. Adjusting schedules to get right people in the right place. Making a plan for contingencies Technology-Docking stations have arrived, portability for teachers, WiFi, doc cameras, being addressed Material distribution-12-2 and 4-6, open for afternoon supplies. Emailing out copies of the handbook,etc. Transportation-Amiee is doing amazing work. Not concerned, but nervous about arrival/departure timelines. Want students not convening together. A couple of situations with schedules, have been accommodated. New Model-expecting new problems, frustrations, etc.

Developing PM Labs and Sign In Procedures:

Working on transitions 6th and 9th grades-making lots of videos for those transitions. PSAT 51 attended of 57 signed up. Walked through the procedure, so we retooled and adjusting. Video for Heights was great. All hands on deck for supervision, transitions, etc. Kids and families are so happy to be back at school, that rules are followed. Lots of supervision needed and being provided.

Tutoring-continued on current schedule. After hybrid gets rolling, we will determine if services need to be adjusted. Secondary is discussing a plan for virtual tutorial group. PAC officers' meeting-understand all of the progress and support the after school tutoring. Being constantly monitored.

### Reopening Checklist

PPE and a lot of other things will be in process for a long time. Nothing left in the blue column from 2 weeks ago. Can we can continue to update this document? Yes.

Program or Department Issues -Helping facilitate immunizations for staff. Valley Vista and Prosser Memorial both interested, but vaccinations have been diverted to Kennewick Fairgrounds. Mass vaccinations-please support the hospital Board of Directors. If you have a chance to help, please do. Able to rank order based on age, needs, etc. Planning for summer school-combined effort with Title, LAP, Bilingual, SPED, and Migrant. Unsure about state testing this year. Some of the money HAS to be spent, will be well-funded. Last year, we paid for transportation. Making decisions right now about summer school. HS credit retrieval will be available this summer, typically hard to fund.

#### Meal Distribution

Elementary-In person-students will get 5 meals over two days, distance 5-day meal boxes Secondary-Grab and Go. In person students will get 5 meals over two days, distance 5-day meal boxes Transportation plans are amazing, only missing 5 drivers. Having to combine routes. No one minding the shop. Substitutes are a major problem. Interviewing candidates.

### m. Student Representatives' Reports

Emma: Most students are really excited for sports. Meeting about what to expect this year.

Kate: Anxiously waiting for the dates for sports and school to start. Main consensus, clock is ticking. Less delays the better. Communications to students could be more robust. Teenagers require a few repeats of information.

Jennifer: Excited about the start of school. Wish Week-ASB is starting next month. Will be making wishes come true. Students that grant the wish will drop off, and wishmakers will pick. Have permission to deliver to house-contact less.

Is bulletin still being updated? We will update the bulletin.

## n. Board Members' Reports

Cole-

February: Love Local, Color for Candy during Valentine's week, social media activities, asking community members to make valentines for favorite businesses for \$40 community cash, chocolate crawl for all 28 days.

Douglas-

Families are excited about coming back to school! Students are really chuffed.

## o. Superintendent's Report

Happy Board Appreciation Month! Your leadership is what makes this community great. It's been a team effort.

**Preparation Efforts-**some employees and parents have anxiety. Getting questions answered online. This is new. There is a lot of newness. Best practices, appreciative inquiry, replicate good stuff.

**MOU Discussions**-foundational understanding of where we want to go. Need to tie up some loose ends. Everyone working hard about what we need to do, etc. PPE readily available. Multiple options. Make it as safe as possible.

**Vaccinations**-ESD may set up a microclinic. Initial guarantees were not met, but we're hopeful that we can make that happen.

**Community questions**-lots to do, moving in the right directions on any number of fronts. We're doing our best to get back. Lots of effort going into it.

PD-Wilma Kozai working with teachers.

Safety and Security-Committee coming up. Staff working hard to keep us safe.

## **Associated Student Bodies**

An associated student body (ASB) will be formed in each school within the district whenever one or more students in that school engage in money-raising activities with the approval and at the direction or under the supervision of the district.

An ASB will be a formal organization of students, including sub-components or affiliated student groups. Each ASB will submit a constitution and bylaws to the board for approval. The constitution and bylaws will identify how student activities become approved as student body activities and establish standards for their supervision, governance, and financing. Subject to such approval process, any lawful activity that promotes the educational, recreational, or cultural growth of students as an optional extracurricular or co-curricular activity may be considered for recognition as an ASB activity. Any lawful fundraising practices that are consistent with the goals of the district and that do not bring disrespect to the district or its students may be acceptable methods and means for raising funds for student body activities. The board may act or delegate the authority to a staff member to act as the ASB for any school that contains no grade higher than grade six.

The school principal administration will designate a staff member as the primary advisor to the ASB and assure that all groups affiliated with the ASB have an advisor assigned to assist them. Advisors will have the authority and responsibility to intervene in any activities that are inconsistent with district policy, ASB standards, student safety, or ordinarily accepted standards of behavior in the community. When in doubt, advisors will consult with the school principal administration regarding the propriety of proposed student activities. Student activities cannot include support or opposition to any political candidate or ballot measure.

Each ASB will prepare and submit annually a budget for the support of the ASB program to the board for approval. All property and money acquired by ASBs, except private nonassociated student body funds, will be district funds and will be deposited and disbursed from the district's ASB program fund.

Money acquired by ASB groups through fundraising and donations for scholarships, student exchanges, and charitable purposes will be private nonassociated student body fund moneys.

Solicitation of funds for nonassociated student body fund purposes must be voluntary and must be accompanied by notice of the intended use of the proceeds and the fact that the district will hold the funds in trust for their intended purpose. Nonassociated student body fund moneys will be disbursed as determined by the group raising the money. Private nonassociated student body funds will be held in trust by the district for the purposes indicated during the fundraising activities until the student group doing the fund-raising requests disbursement of the funds and the accounts of the fundraising are complete and reconciled.

The board may establish and collect a fee from students and nonstudents as a condition to their attendance at, or participation in, any optional noncredit extracurricular district event of a cultural, social, recreational, or athletic nature. If the board establishes such a fee or fees, the superintendent or designee will establish a procedure for waiving fees for students who are eligible to participate in the federal free or reduced-price meals program and for reducing fees for students' immediate family members and other nonstudents sixty-

five or older who, by reason of their low income, would have difficulty in paying the entire amount of such fees. Fees collected pursuant to this paragraph shall be deposited in the ASB program fund of the district. ## **Procedure - Associated Student Bodies 3510**

The associated student bodies (ASBs) in the schools of the district will operate within the following guidelines:

#### Structure

- A. ASBs are mandatory whenever one or more students engage in money raising activities with the approval and at the direction or under the supervision of the district. The school principal administrator is designated to act as the ASB for K-6 school buildings.
- B. The board has authority over ASBs. ASBs are subject to the same laws as the district, including accounting procedures, budgets, and warrants.

#### **Financial Operations**

- A. The district will have an ASB program fund budget approved by the board.
- B. All ASB money is accounted for, spent, invested, and budgeted the same way as other public money.
- C. Disbursements may be made either by warrant, imprest bank accounts or procurement card.
- D. ASB purchases will comply with state bid procedure as outlined in the law and district bid requirements policy and procedure. Purchases of the same goods or services for more than one school will be considered together when establishing the purchase amount and applicability of bid requirements.
- E. All property acquired with ASB moneys becomes property of the district.
- F. ASB groups may raise private nonassociated student body fund moneys through fundraising and donations for scholarships, student exchanges, and charitable purposes. Such fundraising and donation solicitation will meet the requirements for other ASB fundraising and those requirements specific to nonassociated student body funds, including clear notice to all donors of the purpose of the fundraising. Students wishing to use district facilities to raise private nonassociated student body funds will comply with district policy and procedures regarding community use of school facilities. For handling the accounting for complex fundraising programs for private nonassociated student body fund money, the district will withhold or otherwise be compensated an amount adequate to reimburse the district for its direct costs.
- G. Purposes that directly further or support the school district's program both co-curricular and extracurricular are suitable uses for ASB funds, if the activities are optional for students.
- H. ASB funds may not be used for gifts or recognition to individuals for private benefit. Private nonassociated student body funds may be raised for scholarships, student exchanges, and charitable purposes, pursuant to district policy and procedure.

#### **Waiver or Reduction of Fees**

Each student who is eligible to participate in the federal free and reduced-price meals program will have fees associated with attending or participating in optional noncredit extracurricular activities waived.

For a student to have a fee waived or reduced, the student or the student's parent or guardian must ask the school principal for a waiver or reduction. The principal will then determine whether the student's family, by reason of their low income, would have difficulty in paying the entire amount of such fees. In

making that determination, the principal will consider the student's specific circumstances, including whether the student is eligible to participate in the federal free or reduced price meal program.

Students' immediate family members, and other nonstudents who are sixty-five or older, may have any fee to attend an optional noncredit extracurricular activity reduced if they would have difficulty paying the entire amount of the fee because of their low income. Any students' immediate family members who believe he or she should have a fee reduced must contact the appropriate school staff and ask for a reduction. The school will determine whether a reduction is appropriate after obtaining relevant information from the person seeking the reduction.

## **Website Publication of Program Fund Information**

- A. The district will publish the following ASB program fund information on its website:
  - a. The fund balance at the beginning of the school year;
  - b. Summary data about expenditures and revenues occurring over the course of the school year; and

# **BOARD PACKET**

TO: Board of Directors

**SUBJECT:** Award of Motorola Portable Radios

AGENDA: Action

DATE: February 20, 2021

PREPARED BY: Craig Reynolds, Assistant Superintendent

### **Background:**

The school district has been awarded a \$97,449 grant for the purchase of portable radios. Glen Thompson and I have gone through the process and formally accepted the award and we are now ready to purchase the radios. We received three bids, but one of the bids was for Kenwood radios, not Motorola.

The two Motorola bids received are:

Comm Tech Inc. \$90,332.50 plus 8.6% tax = \$98,101.10

Day Wireless \$98,328.18 plus 8.6% tax = \$106,784.40

The grant required a 25% local match but we asked for a waiver and the waiver was granted. Therefore, the district will only need to pay the difference of \$652.10 (\$98,101.10 - \$97,449.00) out of the General Fund.

## **Recommendation:**

It is recommended that the Board of Directors approve the awarding of Motorola radios to Comm Tech Inc.
