SCHOOL BOARD MEETINGS

Prosser School District No.116 •

Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

How the Board Operates

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Peggy S. Douglas, President; Jesalyn Cole, Vice-President; Andy Howe and Jeanie Aubrey. Student Representatives: Andres Ruvalcaba, Ezekiel Akinbade, Monserrat Diaz and Hannah Norris.

About Board Meetings

Business meetings are held twice each month, usually on the 2nd and 4th Wednesday. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

About Executive Session

The board may occasionally go into executive session, thus excluding the public and the news media from

witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

Study Sessions

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

Addressing the Board

You may present a concern to the board during the time reserved for hearing public comment. If this is the case, we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep _your comments concise, non-emotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the hearing section.

Board Hearings

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

About Your Board

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They-make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests, and providing for long-range planning.

SUBJECT: Dyslexia Screener

AGENDA: Information

DATE: July 28, 2021

PREPARED BY: Deanna Flores, Assistant Superintendent

Background

The Prosser School District Dyslexia Advisory Committee has selected MClass by Amplify as our dyslexia screening tool. This assessment has a series of one-minute measures that evaluate the following required elements:

<u>Phonemic Awareness</u>: The ability to hear, identify, move or change the smallest units of sound in spoken words.

<u>Phonological Awareness</u>: Encompasses speech sounds, such as rhyming, alliteration, the number of words in a sentence, and the syllables within words.

<u>Letter-Sound Knowledge</u>: The sounds represented by letters of the alphabet and combinations of letters that make speech sounds.

Rapid Automatized Naming Skills: The ability to quickly name aloud a series of familiar items, including letters, numbers, colors, and objects found in a classroom.

The committee reviewed all the OSPI approved assessments and unanimously selected MClass based on several factors, including the quality of the tool, paper assessment versus a computer test and the quality of reporting features.

Implementation of this assessment will begin at the start of the 21-22 school year. In addition, the district is evaluating current reading instruction for systemic changes that will positively impact student reading performance.

July 20, 2021

Prosser School District #116 Board President 1500 Grant Avenue Prosser, WA 99350

Re: Inspire Development Centers - Whitstran Child Development Center

Dear Mr. Hunt:

The purpose of this letter is to set forth certain nonbinding understandings between Inspire Development Centers (hereafter "Tenant") and Prosser School District #116 (hereafter "Landlord") regarding a lease of Landlord's Real Property, Benton County Assessor Parcel No. 129954000001000, in Prosser, Washington (the "Property").

In accordance with prior discussions between the parties, the parties acknowledge their intent to enter into a lease of the Property according to the following terms and conditions:

- 1. **Premises**. A portion of the parcel legally described on the attached Exhibit A (Benton County Parcel No. 12995400001000), which portion is depicted on the map attached as Exhibit B. The parties acknowledge that the portion of property subject to this lease is the property currently fenced and used by the Lessee, situated at the northeast corner of the parcel described on Exhibit A. The map attached as Exhibit B is not intended to be exact, but an approximate representation of the property currently fenced and used by Lessee.
- 2. **Term**. The initial term of the lease shall be for 15 years.
- 3. **Rent**. The Lessee agrees to pay to the Lessor as rental of the Property Four Hundred Dollars (\$400.00) per month for each month during the term of this Lease. The first monthly payment shall be paid on or before September 1, 2021 and shall continue on the first day of every month thereafter during the term of the lease and any holdover thereof.
- 4. **Property Taxes**. Lessor shall pay all real estate taxes assessed against the Property and all assessments levied against the Property by any governmental agency.
- 5. **Utilities**. Lessee shall be responsible and pay for all electricity, sewer, garbage, water, heat, and any other utilities used in connection with the Property.
- 6. **Use**. The Property shall only be used for daycare and preschool services and activities directly related thereto.
- 7. **Insurance**. Lessee shall provide and keep in effect during the term(s) of this Lease a policy of insurance with at least the following minimum coverage: All risk insurance on the modular units and other buildings

located on the Property for the actual replacement cost of any such building, and a general liability policy with a One Million Dollars (\$1,000,000.00) combined single limit per occurrence for bodily injury and property damage. The Lessor shall be named as an additional insured on all coverages mentioned above on said insurance policies. Lessee shall provide the Lessor with certificates or other acceptable evidence of insurance evidencing its coverage upon written request.

The Lessor and Lessee each waives its entire right of recovery against the other for loss or damage occurring in or about the Property from losses that are insured against fire and all risk insurance policies, including extended coverage endorsements carried by the parties. The foregoing mutual waiver should be effective only so long as such waivers are available in the State of Washington and do not invalidate the insurance coverage

8. **Upkeep**. The Lessee shall keep the Property in a neat, clean, and sanitary condition; shall commit no waste or suffer any to be done upon the Property; and shall maintain the lawns and landscaping in a neat and orderly manner.

The terms listed above are non-binding and this Letter of Intent shall only constitute a commitment to proceed in good faith toward finalizing a formal lease of the Property pursuant to the terms and conditions set forth herein. THIS LEASE AGREEMENT is made and entered into this 1st day of August, 2021, by and between PROSSER SCHOOL DISTRICT #116, hereinafter referred to as Lessor, and INSPIRE DEVELOPMENT CENTERS, hereinafter referred to as Lessee.

WITNESSETH: For and in consideration of the mutual covenants and conditions herein contained, Lessor does hereby let and lease unto the Lessee the property described as follows (the "Property"):

A portion of the parcel legally described on the attached Exhibit A (Benton County Parcel No. 129954000001000), which portion is depicted on the map attached as Exhibit B. The parties acknowledge that the portion of property subject to this lease is the property currently fenced and used by the Lessee, situated at the northeast corner of the parcel described on Exhibit A. The map attached as Exhibit B is not intended to be exact, but an approximate representation of the property currently fenced and used by Lessee.

- 1. TERM: The term of this lease shall be for a period of two (2) years commencing on September 1, 2021 and terminating at midnight on August 31, 2023.
- 2. RENT: The Lessee agrees to pay to the Lessor as rental of the Property Four Hundred Dollars (\$400.00) per month for each month during the term of this Lease. The first monthly payment shall be paid on or before September 1, 2021 and shall continue on the first day of every month thereafter during the term of the lease and any holdover thereof.
- 3. UTILITIES: Lessee shall be responsible and pay for all electricity, sewer, garbage, water, heat, and any other utilities used in connection with the Property.
- 4. TAXES: Lessor shall pay all real estate taxes assessed against the Property and all assessments levied against the Property by any governmental agency.
- 5. COMPLIANCE WITH LAWS: Lessee shall comply with all ordinances, regulations or statutes of any state, county, municipal or other public authority affecting the Property.
- 6. INSPECTION: The Lessor shall have the right to come upon the Property at reasonable hours for the purpose of inspecting the same.
- 7. ASSIGNMENT: To ensure continued services to families and children, Lessee or the responsible official of the United States Department of Health and Human Services (HHS) may transfer or assign the Lessee's interest in this Lease to any HHS-approved interim or replacement lessee. Except as provided above in this Paragraph 7, Lessee shall not assign or sublet its use or right to use the Property, or any part thereof, without first obtaining the written consent of the Lessor.

- 8. UPKEEP: The Lessee shall keep the Property in a neat, clean, and sanitary condition; shall commit no waste or suffer any to be done upon the Property; and shall maintain the lawns and landscaping in a neat and orderly manner.
- 9. INSURANCE: Lessee shall provide and keep in effect during the term(s) of this Lease a policy of insurance with at least the following minimum coverage: All risk insurance on the modular units and other buildings located on the Property for the actual replacement cost of any such building, and a general liability policy with a One Million Dollars (\$1,000,000.00) combined single limit per occurrence for bodily injury and property damage. The Lessor shall be named as an additional insured on all coverages mentioned above on said insurance policies. Lessee shall provide the Lessor with certificates or other acceptable evidence of insurance evidencing its coverage upon written request.

The foregoing mutual waiver should be effective only so long as such waivers are available in the State of Washington and do not invalidate the insurance coverage.

- 10. CASUALTY: If the Property is destroyed by fire or other casualty, or is so damaged that the Property becomes untenantable, this Lease may be terminated by either Lessor or Lessee upon written notice to the other party. Lessee shall not pay rent during any time the Property is unfit for occupancy. If the Property is partially untenantable, the Lessee shall pay that portion of the rent which the occupied part of the Property bears to the whole Property.
- 11. PURPOSE: Lessee shall not use the Property for any purpose inconsistent with that authorized by the Head Start Act, 42 U.S.C. section 9801, et seq. (as currently enacted or later amended) and applicable regulations.

12. IMPROVEMENTS:

- 12.1. Repairs, Alterations, New Improvements. The Lessee has previously placed classroom modular unit buildings and other improvements on the Property, including a storage building, lighting, fencing and playground-related improvements. Lessee may relocate, replace, remove, alter, repair, renovate or otherwise change any improvements Lessee has already made to the Property. Lessee shall not, however, make any additional improvements, different from the type of improvements already on the Property, without the Lessor's written consent.
- 12.2. <u>Removal</u>. Upon the expiration or other termination of this Lease, Lessee may remove any improvements made to the Property, provided that Lessee repairs any damage caused by any removal and returns the Property to the Lessor in a reasonably level state (excepting any plants, trees, or other landscaping and any electrical poles or lights).

12.3 Lessor's Acquisition of Improvements.

12.3.1. Notice. At any time prior to the expiration of this Lease, or within 7 days after any other termination of this Lease, Lessee may give Lessor written notice of the improvements that Lessee desires to leave at the Property after the expiration or other

termination of this Lease. Lessor shall have 14 days from the receipt of such notice to either accept or reject Lessee's notice in writing. If Lessor fails to respond as required in this Paragraph, the Lessee's notice shall be deemed rejected on the 14th day after Lessee gives its notice.

12.3.2. Acceptance of Notice. If the Lessor accepts Lessee's notice, then the Lessor shall reimburse the Lessee for the designated improvements in an amount equal to their fair market value, as determined by a licensed appraiser selected by Lessor, but approved by Lessee prior to ordering the appraisal. Lessor shall pay the Lessee the appraised value of the improvements within 14 days of receiving the appraisal, or as otherwise agreed by the Lessee.

12.3.3. Rejection of Notice. If the Lessor rejects the Lessee's notice (or if Lessee's notice is deemed rejected), Lessee shall have 30 days from the date of the rejection to remove Lessee's improvements from the Property in accordance with Paragraph 12.2 above. Any improvements not removed from the Property at the end of said 30 day period shall become the property of the Lessor and shall become part of the Property.

Notwithstanding the above provisions of this Paragraph 12, the parties acknowledge that pursuant to federal regulations (45 C.F.R. 1309.21(b) or 45 C.F.R. 1303.38, as applicable), a transfer of an interest in any facilities acquired with federal grant funds, such as some of the improvements that may be placed on the Property, requires the written consent of the responsible HHS official. Accordingly, both parties will act in diligence and good faith in working with HHS to ensure the proper disposition of any improvements acquired with grant funds; and the parties further agree and acknowledge that any of the above provisions may be subject to HHS consent and the time periods described above may be extended if the parties are awaiting a response from the responsible HHS official.

- 13. LIENS: Lessee shall keep the Property free of liens of any kind and to pay and discharge any liens that may be filed on the Property, and Lessor hereby disclaims all liability for any liens filed on said Property arising from any acts or omissions of Lessee.
- 14. ATTORNEY FEES: In any suit or action brought to enforce any of the covenants or arrangements of this Lease or arising from the breach thereof, the prevailing party shall be entitled to recover as attorney's fees such sum as may be adjudged reasonable by the courts.
- 15. DEFUNDING OF LESSEE: Should Lessee become substantially defunded by HHS or other federal or state sources of funding, Lessee may terminate this Lease upon thirty (30) days written notice to Lessor, or the Lease may be assigned by the responsible HHS official for their designation of an alternate tenant or occupant of the facility as provided above in Paragraph 7.
- 16. DEFAULT: Failure to perform any covenant or obligation imposed upon either the Lessee or Lessor after 30 days' notice and demand to cure the same, shall result in a default of and termination of this Lease. Upon termination of this Lease, where the Lessor was the party in default, Lessor agrees to refund any unapplied rental payments to Lessee.

- 17. SURRENDER UPON TERMINATION: Upon the termination of this Lease for any reason or cause whatsoever, Lessee shall peaceably and forthwith, without any further notice, upon demand from Lessor, vacate and surrender possession of the Property to the Lessor, subject to the provisions of Paragraph 12, above.
- 18. HOLDING OVER: If Lessee continues in possession of the Property after the expiration of this Lease, then Lessee shall be deemed to be holding the Property on a month-to-month tenancy under the same terms and conditions contained in this Lease. The rental for such tenancy shall be subject to negotiations within thirty (30) days of the expiration of the original term of this Lease. Should no rental amount be agreed upon, the rent shall be the same as that in effect immediately prior to the expiration of the original term of this Lease.
- 19. OPTION TO RENEW: Lessee is hereby granted the option to renew this Lease for one additional one year term, upon the same terms and conditions herein, except for rent, which shall be subject to negotiations within thirty (30) days of the expiration of the original term of this Lease. Should no rental amount be agreed upon, the rent shall be the same as that in effect immediately prior to the expiration of the original term of this Lease. Notice of Lessee's exercise of such option shall be given to the Lessor in writing not less than thirty (30) days prior to the expiration of the term of this lease or this option shall automatically expire. This Paragraph 19 shall not be interpreted to give Lessee a perpetual right to renewal.

- Mr. Ellis shared that there might be some timeline delays at KRV, but the district feels comfortable right now with the start date. At the next meeting we should have a better idea.
- Board Chair Douglas asked what the timeline would look like.
- Mr. Ellis explained the rolling start that districts commonly do and that the district is a couple weeks from a solid timeline.
- Board Chair Douglas asked Mr. Ellis to inform the board as more information comes in and if this impacts K-2.
- Mr. Ellis said it would be K-1.
- Deanna Flores indicated that first grade would be in the portables and kindergarten/office staff would be in the new portion, so the infrastructure is the biggest issue.

Board Chair Douglas stated she would move Andres Ruvalcaba up on the agenda to now.

Motion to approve student representative Andres Ruvalcaba by Jesalyn Cole, seconded by Jeanie Aubrey and motion carried unanimously.

DISCUSSION ITEMS:

Professional Development

- Mr. Ellis explained Learning Improvement days.
- Mrs. Flores provided the board with an overview of the racial literacy course. There is a variety of topics to choose from.
- Mrs. Flores stated the district has to provide two days of training this year; one day will be social emotional learning and the second will be racial literacy. Mrs. Flores has started this course and Director Cole has finished the course.
- Mrs. Flores offered this course to the board once again. In the coming years the topic will alternate for about 8 years if it continues to be funded.
- Board Chair Douglas asked that these items be available to the community online.
- Mrs. Flores said that what's in the modules can be published, along with the social emotional agenda items when that is available.
- Director Cole explained her experience in taking the course.
- Board Chair Douglas asked if anyone had comments.
- Audience member, Adriana Miller, asked if this course was required for all board members and Mrs. Flores said a lot of districts are making this optional and not required.
- Mrs. Miller also asked if there were choices to take and Mrs. Flores indicated that was in the other day for social emotional learning, which has many choices.
- Mrs. Flores clarified that third day of for Mrs. Miller.
- Board Chair Douglas indicated that the 2022-2023 school year is when the board members need to be up to date.
- Mr. Ellis indicated that this is a phased roll out approach.

Staffing

- Mr. Ellis explained what the plan has been for staffing in the district. A couple staffing
 positions still to be looked at depending on enrollment. Mrs. Flores can elaborate more
 on this.
- Mrs. Flores indicated that there are three main positions that keep rising to the top: Elementary Counselor/ Social Worker, Instructional coaches and Nurses.
- Board Chair Douglas indicated that she agrees with the Elementary Counselor but would like to know what the difference would be between a nurse and a nurse assistant.
- Craig Reynolds stated the assistant would be around \$20,000.00 and an RN would be around \$60,000.00.
- Board Chair Douglas stated that our nurses do a need support and they have done a great job but not sure if a full time RN would be the route to go. Board Chair Douglas indicated she would be in support of a nurse assistant. As far as the coaches, she feels waiting until enrollment is in would be best, but the coaches have done a wonderful job.
- Mrs. Flores stated that this isn't impacted by basic education. Mr. Ellis indicated that coaches are partially funded by the district.
- Board Chair Douglas asked if that half would be coming out of M & O dollars and Mrs. Flores indicated that State and Federal Programs could fund those fully.
- Director Coleman shared that he has been contacted by several staff members about coaches and explained his thought on the topic.

- Director Coleman would like to see smaller class sizes and senior teachers as mentor teachers in the district.
- Mrs. Flores shared that State and Federal dollars cannot be used to make class sizes smaller to hire basic education teachers and the coaches are teacher mentors for our teachers.
- Director Coleman understood that but still feels the teachers in the classroom would be more effective.
- Director Cole agreed with Board Chair Douglas in the fact of counselor, nurses and then coaches, but if all three can be done then it should be.
- Director Aubrey asked if there is a nurse in each building and Mrs. Flores stated no, there are two certified nurses across the district.
- Director Aubrey asked about finding a medical assistant that would be less of a cost.
- Board Chair Douglas wanted to clarify that State and Federal Programs can't be used to supplant. Mrs. Flores confirmed that.
- Mrs. Flores discussed posting positions.
- Mr. Reynolds compared last years staff to what the budget is and preliminary there is an increase in certificated staff.
- Mrs. Flores indicated that security staff has been on the top of the list as well.
- Board Chair Douglas allowed Adriana Miller to ask a question during this part but explained that the board limits comments during the regular meeting.
- Adriana Miller asked if the elementary counselor and social workers were funded out of ESSER and levy funds. Mrs. Flores stated that the district has more counselors than the state funds, in 22-23 there will be additional funding for counselors so this year we are able to use ESSER funds this year.
- Mrs. Miller asked about the funding for the Instructional Coaches and Mrs. Flores explained that.
- Mr. Reynold's explained the difference in funding.
- Mr. Ellis explained the sustainability factor and the balancing act of funds.
- Mrs. Miller asked how long the district will receive ESSER funds.
- Mr. Ellis explained ESSER 1-3 dollars.
- Mrs. Miller also wanted to know what this district has done with the ESSER dollars and Mr. Ellis explained those funds were used for technology, hotspots and PPE.
- Mrs. Miller asked about the counselors would be paid out of levy and Mr. Reynold's stated that if there is any excess the State doesn't fund us for levy funds are used.
- Mrs. Miller wanted to know what happens if the M&O levy doesn't pass and Mr. Ellis stated that's a discussion about extras that Prosser Schools want and explained things that could be cut if an EP&O levy fails.

2021 – 2022 Schedule and Special Considerations

- Mr. Ellis stated the point of this is to discuss the adult learning schedules and where the board stand on consulting contracts next year.
- Director Cole stated the principals need the support and the district will see the long-term effects if the district stays consistent and move forward with what was started.
- Director Coleman shared that educating our educators is positive but being fiscally responsible is important. The district has started down that path and that needs to stay consistent.

- Director Coleman indicated that bringing trainers into the district is the best option.
- Director Aubrey agreed with Director Coleman.
- Director Cole stated that the instant implementation when a consultant comes in is very beneficial.

STUDENT TEACHING LETTER OF AGREEMENT

Tier 1: Primary Partner

This Student Teaching Letter of Agreement (Agreement) is made between Western Governors University, a Utah nonprofit corporation (WGU), and Prosser School District ("District"), and is effective as of the date of the signature below ("Effective Date").

Thank you for working with Western Governors University (WGU) for the placement of student teachers. Our goal is to establish a relationship of collaboration that benefits your district/school and WGU Teacher Candidates, and that allows us to work together for continuous improvement. We look forward to working together for the benefit of your future educators.

WGU is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU), and the WGU Teacher Education programs are further accredited by the Council for the Accreditation of Educator Preparation (CAEP) and the Association for Advancing Quality in Educator Preparation (AAQEP). WGU represents that each Teacher Candidate assigned to the District for Student Teaching is validly enrolled in an approved WGU credentialing program and meets the District's background requirements.

A. Mutual Expectations

A Primary Partner is a district/school where WGU places Teacher Candidates for a Field Experience with Cooperating Teachers, with an aim to co-construct a mutually beneficial arrangement for clinical preparation and the continuous improvement of Teacher Candidates, and to share accountability for Teacher Candidate outcomes. The school administrator and Cooperating Teacher will have the opportunity to provide critical feedback to inform program improvement through surveys at the end of each cohort.

B. Definitions

For the purposes of this Agreement, capitalized terms will have the following meanings:

- Teacher Candidate refers to a student enrolled in a WGU program leading to an education credential.
- Cooperating Teacher (or host teacher) refers to a District employee who is the teacher-of-record in the classroom where the Teacher Candidate is assigned. A Cooperating Teacher may or may not be a Clinical Supervisor.
- Clinical Supervisor refers to a present or former employee of District, retired educator, or any other
 individual meeting the criteria of "supervisor" established by WGU for this position, and engaged by WGU
 or District, to supervise a Teacher Candidate's progress during a minimum of six observations. WGU shall
 be responsible for the selection, assignment, training, and compensation of Clinical Supervisors. WGU
 welcomes nominations of Clinical Supervisors by the District/school.
- Preclinical Experience refers to the active participation by a Teacher Candidate in a wide range of inclassroom experiences in order to develop the skills and confidence necessary to be an effective teacher and prepare for Student Teaching. Students reflect on and document at least 75 hours of in-classroom observations (15 hours of which must involve direct engagement with students in a classroom) leading up to Student Teaching.
- Student Teaching (or demonstration teaching) refers to the greater of the then-current WGU full-time and continuous requirement of 12 weeks (16 weeks for special education) or the State's and/or District's minimum requirement for Student Teaching. Student Teaching shall satisfy all applicable WGU and State requirements.
- Field Experience refers collectively to the Preclinical Experience and Student Teaching.

C. Cooperating Teacher Standards

District, with the input of WGU, will provide the Teacher Candidate with a Student Teaching assignment in a school and classes of District under the direct supervision and instruction of a Cooperating Teacher that meets the following minimum requirements:

- Successfully and with positive impact mentored student teachers, colleagues, and/or other adults;
- Competently uses technology for communicating via email and completing online evaluation forms;
 and
- Consistently models the dispositions and ethical considerations expected of WGU Teacher

 - o Equitable and fair
 - o Committed to the belief that all students can learn
 - o Collaborative
 - o Technologically proficient
 - o Professional leadership

D. WGU Responsibilities

WGU will:

- Select qualified Teacher Candidates who have been prepared with the appropriate educational background, knowledge, skills, and professional disposition to participate in Field Experience.
- Pay an honorarium per Teacher Candidate, either directly to the Cooperating Teacher or to the
 District, for the Cooperating Teacher's services. The Cooperating Teacher may also receive
 professional development hours connected to the successful completion of WGU Cooperating
 Teacher training.
- Require Teacher Candidates to have completed a background check acceptable to District prior to participating in Field Experience activities.

- Provide professional development training to Cooperating Teachers regarding WGU processes and procedures.
- Maintain an online site for support, resources, and training for Cooperating Teachers.
- Facilitate a cohort seminar in which Teacher Candidates will participate with a community of peers to receive support during Student Teaching and the final performance assessment.

E. District Responsibilities

District, or school administrator, will:

 Nominate one or more qualified Cooperating Teacher(s) by providing a completed copy of the Student Teacher Acceptance Form to the WGU Field Placement Team.

- Allow the Clinical Supervisor access to the host school and classroom for the specific purpose of observing Teacher Candidates.
- Provide Teacher Candidates with any District policies and procedures to which they are expected to adhere to during the Field Experience and while on District premises.

- Encourage administrators and Cooperating Teachers to participate in WGU's Feedback Surveys (offered at the end of the Spring and Fall Cohorts) to report on Teacher Candidate quality and preparation and to provide program feedback to WGU for continuous improvement.

F. Additional Terms

- Term. This Agreement shall commence on the Effective Date and shall continue for three (3) years from the Effective Date, or until such time as either party gives the other party thirty (30) days advance written notice of its intent to terminate the Agreement; provided, however, that all Teacher Candidates at District as of the date of such notice shall be permitted to complete their Student Teaching.
- **Points of Contact**. Each party shall designate a point of contact between the parties for communication and coordination of Student Teaching. Contact information is set forth following the signature block.

Education Records.

- o District acknowledges that the education records of assigned Teacher Candidates are protected by the Family Educational Rights and Privacy Act (FERPA), and agrees to comply with FERPA and limit access to those employees or agents with a need to know. Pursuant to FERPA, and for the purposes of this Agreement, WGU hereby designates District as a "school official" with a legitimate educational interest in such records.
- WGU shall instruct Teacher Candidates of the necessity of maintaining the confidentiality of all
 District student records. District shall not grant Teacher Candidates or WGU employees access to
 individually identifiable student information unless the affected student's parent or guardian has
 first given written consent using a form approved by District that complies with FERPA and other
 applicable law.

• Video Recordings.

During Student Teaching, Teacher Candidates complete a teacher performance assessment, which measures Teacher Candidate readiness to teach. A teacher performance assessment is designed for Teacher Candidates to submit real artifacts—lesson plans, video, and student work samples—to show the authenticity of the local teaching context and the way the Teacher Candidates respond to students when teaching in a real setting. In order to collect artifacts required for a teacher performance assessment, Teacher Candidates may be required to submit video recordings of themselves teaching in the classroom.

Additionally, recordings provide WGU an avenue to evaluate the performance of Teacher Candidates, and the Teacher Candidates with opportunities to evaluate themselves, reflect, and improve their instruction.

WGU provides the following guidelines to Teacher Candidates. District understands that Teacher Candidates are not employees or agents of WGU and that any further precautions regarding the privacy of the District's students should be agreed directly between the District and Teacher Candidates.

Teacher Candidate Guidelines

- Secure appropriate permission from the parents/guardians of your students and from adults who appear in the video recording.
- To protect confidentiality, remove your name and use pseudonyms or general references (e.g., "the district") for your state, school, district, and cooperating teacher. Mask or remove all names on any typed or written material (e.g., commentaries, lesson plans, student work samples) that could identify individuals or educator preparation programs. During video recording, use only the first names of students.
- You must follow appropriate protocol to submit recordings to WGU.
- You may not display the video publicly (i.e., personal websites, YouTube, Facebook).
- You may not use any part of the recordings for any personal or professional purposes outside of performance evaluation.
- You must destroy all video recordings once the evaluation is complete.
- Right to Accept or Terminate a Placement. District may refuse to accept for placement, or may terminate the placement, of any Teacher Candidate based upon its good faith determination that the Teacher Candidate is not meeting performance standards or is otherwise deemed unacceptable to District. In such cases, District shall notify WGU in writing and shall state the reasons for such decision.
- WGU Insurance. WGU warrants and represents that it provides and maintains general liability insurance
 with limits of at least \$1,000,000 per occurrence and \$2,000,000 annual aggregate and, upon District's
 request, shall provide a certificate of insurance as evidence of coverage. WGU shall maintain, at its sole
 expense, workers' compensation insurance as required by law.
- **Professional Liability Insurance**. Teacher Candidates will be responsible for procuring and maintaining, at their own expense, professional liability insurance for the duration of the Field Experience with minimum limits of either: (i) \$1,000,000 per occurrence and \$3,000,000 annual aggregate, or (ii) \$2,000,000 per occurrence and \$2,000,000 annual aggregate.
- Status of Parties. Nothing in this Agreement is intended to or shall be construed to constitute an agency, employer/employee, partnership, or fiduciary relationship between the parties. Neither party will have the authority to, and will not, act as agent for or on behalf of the other party or represent or bind the other party in any manner.
- Non-Discrimination. Both parties agree to fully comply with all applicable non-discrimination laws of
 District's state and municipality, and of the United States. Both parties will accept, assign, supervise and
 evaluate qualified Teacher Candidates regardless of race, sex, sexual orientation, creed, national origin,
 age, disability, veteran status, or any other basis protected by law.
- Entire Agreement. This Agreement represents the entire understanding between the parties and supersedes all prior oral or written agreements, and no modification shall be valid unless in writing and signed by both parties. No Teacher Candidate or other third party shall be a beneficiary of, or have any right to enforce the terms of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.

Board of Directors

SUBJECT:

Resolution # 3-21: One Hundred Eighty-Day School Year

Requirement Waiver

AGENDA:

Action

DATE:

July 28, 2021

PREPARED BY:

Deanna Flores, Assistant Superintendent

Background

In 2015, the State Board of Education notified us that we must obtain a waiver to offer parent/teacher conferences in a full-day format. The State granted the waiver through last school year 2020/2021. "Instructional hours" includes parent/teacher conferences (RCW 28A.150.205), the definition of "school day" (RCW 28A.150.203) does not include parent/teacher conferences. Therefore, to be complaint with both sections of the RCW, we must obtain a waiver of four days per year for three years, 2021/2022, 2022/2023 and 2023/2024.

The waiver will not affect the amount of instructional time students receive. In fact, students are in class more when we use the two full-day format during conference week as opposed to the four half-day format.

The two full-day format for parent/teacher conferences provides more efficiency and cost savings in student transportation and food services. In addition this format provides greater flexibility of schedules for parents and students to participate in conferences. As a district, we currently average 90% attendance for parent/teacher conferences.

Recommendation

The Board of Directors approves Resolution # 3-21: One Hundred Eighty-Day School Year Requirement Waiver.

RESOLUTION #03 -21 2021/2022 - 2023/2024

Matt,

It is with regret that I am resigning my school board director position as of the end of the regularly scheduled board meeting on July 14, 2021. My fulltime position as a public works director in another city takes much more time than the job I held when I ran for the board. I believe that the job as school board director is not getting the time it needs from me that it deserves. I have enjoyed my time as a board member and believe that each and every decision we have made as a group has been truly based on what is best for children of Prosser within the guidelines of the law. I am certain that Prosser School District is better for having all of us in our positions and look forward to the success of our children and community with the leadership of our board and Superintendent.

Sincerely,

Scott R. Coleman "Go Mustangs!"
